## **Who Has Seen The Wind Wo Mitchell:**

**Who Has Seen the Wind** William Ormond Mitchell, 1947 A young boy growing up in Saskatchewan in time of drought "W.O. Mitchell's *Jake & the Kid: the Popular Radio Play as Art & Social Comment.*" Alan J. Yates, 2010-06-10 W O Mitchell s Jake to tackle social issues of the day with a light hand and to develop many of the themes he would explore in his later novels This study analyzes these popular radio plays their Prairie and literary roots the production process and their contribution and critical reception *Writing in Dust* Jenny Kerber, 2011-03-17 Writing in Dust is the first sustained study of prairie Canadian literature from an ecocritical perspective Drawing on recent scholarship in environmental theory and criticism Jenny Kerber considers the ways in which prairie writers have negotiated processes of ecological and cultural change in the region from the early twentieth century to the present The book begins by proposing that current environmental problems in the prairie region can be understood by examining the longstanding tendency to describe its diverse terrain in dualistic terms either as an idyllic natural space or as an irredeemable wasteland It inquires into the sources of stories that naturalize ecological prosperity and hardship and investigates how such narratives have been deployed from the period of colonial settlement to the present It then considers the ways in which works by both canonical and more recent writers ranging from Robert Stead W O Mitchell and Margaret Laurence to Tim Lilburn Louise Halfe and Thomas King consistently challenge these dualistic landscape myths proposing alternatives for the development of more ecologically just and sustainable relationships among people and between humans and their physical environments Writing in Dust asserts that reading environmentally can help us to better understand a host of issues facing prairie inhabitants today including the environmental impacts of industrial agriculture resource extraction climate change shifting urban rural demographics the significance of Indigenous understandings of human nature relationships and the complex often contradictory meanings of eco cultural metaphors of alien invasiveness hybridity and wildness
