The Cabal:

The Cabal David Hagberg, 2010-07-06 The New York Times bestselling Kirk McGarvey series from David Hagberg continues with the espionage thriller *The Cabal*. In Washington, CIA operative Todd Van Buren meets with a Washington Post investigative reporter who has uncovered strong evidence that a powerful lobbyist has formed a shadowy group called the Friday Club, a cabal whose members include high ranking men inside the government, a White House adviser, a three star general at the Pentagon, deputy secretaries at the State Department, Homeland Security, the FBI, and even the CIA. That afternoon, Van Buren, son-in-law of the legendary spy Kirk McGarvey, is brutally gunned down because of what he's been told. The same evening, the reporter and his family are killed, all traces of the shadow group are erased. A grief-stricken McGarvey is drawn into the most far-reaching and bizarre investigation of his career, the stakes of which could destabilize the U.S. government and shake the foundations of the world financial order. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Cabal Alan Refkin, 2022-09-13 The Cabal has secretly expanded its grip on world economies, governments, corporations, and other centers of influence for decades. Founded by a mysterious person known as the Thin Man, its goal is to create a new world order: an authoritarian and borderless world under one government. With its members in strategic positions within global technology and social media companies, senior government positions, and enormous investment funds, they've pushed its narrative to billions of users until their beliefs have become mainstream. Those within the Cabal don't want to change the world for altruistic or egalitarian reasons. Instead, they want to establish perpetual global monopolies that would ensure extreme generational wealth while advocating that centralized government control creates greater economic stability, ratchets down global tensions, and establishes a society of equals. Standing in the way of this seemingly unstoppable juggernaut is Nemesis, an ultra-secret off-the-books organization that doesn't follow a rulebook. In this latest Matt Moretti Han Li thriller, when the Cabal discovers Nemesis, after them it uses its considerable global influence and piles of cash to frame them as terrorists. Hunted by several governments, including their own, and with time running out, they must stop the Cabal before it initiates a world unifying event that will forge its global consolidation of power and create a new world order.

The Cabal in Ellycium Youssef Bortali, 2024-07-21 Noor is an anthropomorphic anglerfish who lives in the idyllic kingdom of Ellycium, where he leads a peaceful life, gathering gemstones and worshipping King Quzah. Noor's life is pretty uninteresting except for the fact that his esca, the colorful orb floating above his head, is rainbow-colored, unlike the rest of the anglerfish who have unicolored escas. Noor's distinctive esca color, coupled with certain unexplained events and rituals in Ellycium, push him to question his own identity as well as the reality behind the kingdom's myths and mysterious King. His quest for truth causes division among the anglerfish and leads him on a journey to the legendary Emerald Mountain of Kaf, where he uncovers some astonishing secrets about the true ruling cabal and about himself. Inspired by Arabian mythology and Sufi beliefs, this story explores the mystery of the spiritual aspect of existence and
