Conquests & Intrigue- Rise of Khalji Empire Arnav Bansal, 2023-11-30 Circa 1100s the battles for survival was tough Many small and large kingdoms were just happy in their own world and flourishing many were struggling to keep the enemy at bay Our hero barely survived his childhood trauma and his sheer grit and determination carried him through to rise and build the greatest empire and witness an upheaval and revolution of Hindustan An interesting journey of his conquests and intrigue of trials and tribulations of loyalty and deceit of love and hate of development and distraction of courage and fear of fights and flights The reader is going to enjoy the thrill of absorbing twists and turns of this Medieval Indian story of a great Emperor [Putting the Caliph in His Place](#) Eric J. Hanne, 2007 Modern scholars have often viewed the Abbasid caliphs of the eleventh and twelfth centuries as pale imitations of their eighth and ninth century ancestors Following the rise of the Buyid amirate in the tenth century scholars have turned their attention away from the Abbasids viewing them as inconsequential puppets controlled by stronger powers and focused their studies on the development of the Buyid and Saljuq dynasties After the Buyid deposition of the Abbasid caliph al Mustakfi in the mid tenth century the Caliphate is said to have been relegated to puppet status vainly clinging to its past glory until its destruction at the hands of the Mongols in 1258 away their ability to administer and defend the central Islamic lands All that was left to them was the prestige of their institution however vaguely defined For this reason there has been little if any modern research on the Abbasid caliphs of this period

hundred years ago Captain Kidd was hanged for piracy but before died he claimed to have hidden a vast fortune in the Indies In the years since maps to the fabled island have appeared and there have been many attempts to recover that treasure This book examines Kidd s life against the backdrop of piracy in the Indian Ocean and concludes that there is much to justify his claim and even more to his story a life of piracy thrust upon him by noble backers men who broke their own laws and then let him die for their crimes **The history of the caliph Vathek, and European travels [ed. by G.T. over a thousand years ago the Druze religion and society has long been cloaked in a tradition of secrecy Veiled from the outside world the religious tenets have been vulnerable to distortion misunderstanding and misrepresentation In this book Dr Anis Obeid a Druze layman provides a penetrating analysis of Druze scriptures and beliefs Tawhid Presenting a chronological narrative of the foundation and development of the faith he explains the historical conditions and religious rationale behind this closed religion The Druze faith is the product of Abrahamic monotheism as it coalesced with other philosophies belief systems and political structures of the West and the East and as Obeid maintains should be recognized for its core monotheism and not fundamentally different from Judaism Christianity or Islam He argues convincingly with examples and translations from the Druze scriptures only now accessible to a non initiate public that Tawhid is a progressive and dynamic spiritual process based on freedom of choice This rich exploration of their faith the author s appeal for a sincere cultural dialogue will resonate with a wide audience in the West and in the Middle East The Color Line: A History Ethan
