THE CALLING

The Calling

Jean Calvin

The Calling:

The Calling Eddie Lewis, 2015-11-27 THE CALLING a compendium of over thirty original compositions for unaccompanied trumpet is a musical journey like no other. Representing more than two decades of composition, these trumpet solos are presented in chronological order. As a unified work, the pieces in THE CALLING tell a story. It is a story of faith, of friendship, and of sincere admiration. THE CALLING begins with Lewis' first unaccompanied trumpet solo, "We Shall See," composed in the mid 90's. It ends with a series of inspiring teacher tributes. Each of the solos in THE CALLING can be used as both a performance piece and lesson study material. THE CALLING is not, however, an etude book. It is an ambitious anthology of bold and captivating original performance pieces for the unaccompanied trumpet.

The Seer Collection: The

Choosing / The Calling / The Returning Rachelle Dekker, 2017-02-07 This Collection combines three of Rachelle Deckker's Dystopian novels into one volume for a great value. *The Choosing* 2016 Christy Award Winner Young Adult category 2016 Christy Award Finalist First novel category. Like all citizens since the Ruining, Carrington Hale knows the importance of this day. But she never expected the moment she'd spent a lifetime preparing for her Choosing ceremony to end in disaster. Ripped from her family, she'll spend her days serving as a Lint, the lowest level of society. She knows it's her duty to follow the true way of the Authority. But as Carrington begins this nightmare, rumors of rebellion rattle her beliefs. Though the whispers contradict everything she's been told, they resonate deep within. Then Carrington is offered an unprecedented chance at the life she's always dreamed of, yet she can't shake the feeling that it may be an illusion. With a killer targeting Lints and corruption threatening the highest levels of the Authority, Carrington must uncover the truth before it destroys her. *The Calling* Remko Brant had never been so sure of anything as escaping the Authority City with Carrington Hale. But bravado comes easy when you have nothing to lose. Now a husband, father, and the tactical leader of the Seers, Remko has never had so much at risk. As he and his team execute increasingly dangerous rescue missions inside the city, they face growing peril from a new enemy. Recently appointed Authority President, Damien Gold, claims to be guiding a city shaken by rebellion into a peaceful, harmonious future. But appearances can be deceiving. In order to achieve his dangerous ambitions, Gold knows he must do more than catch the rebels; he must destroy the hope their message represents from the inside out. With dissension in his own camp and the CityWatch soldiers closing in, Remko feels control slipping through his fingers. To protect those he loves, he must conquer his fears and defeat Gold before one of them becomes his undoing. *The Returning* Twenty years have passed since Carrington and Remko Brant's baby, Elise, was kidnapped, and they were forced to leave her captive in the Authority City. Though they fled with the Seers far from Authority reach, they've never given up hope of rescuing their daughter from the man who betrayed them. Now Authority President, he's ushered the city into a new era of peace, one where the Scientist Roth Reynard's Genesis Serum has eradicated all memory of emotion or rebellion. But the mysterious Aaron and his Seers are once again on the move, threatening the illusion the Authority has worked so hard to build. As the Seers send

seven chosen warriors to rescue Elise and bring restoration to the Authority City the lines are drawn for a final battle between light and darkness The key to ultimate victory may rest within the strangely powerful girl who has felt forgotten but was never abandoned a truth she ll need to wage war against the powerful forces of evil *Leading the Calling* Kathy Spencer, Ed.D.,Lesley Eason, Ed.D.,2023-03-10 Educators are naturally viewed as reflective practitioners with time to think ponder vision and design being key to the art and craft of the role itself This is especially true of educational leaders teachers facilitators administrators and superintendents We know that we lead more effectively when practicing deep reflection demonstrating the desire to take action in order to serve others while honoring the greatness that exists in so many of our learning environments With deep reflection and action comes a lot of emotion a lot of conversations a lot of missteps and a lot of accomplishments It is these experiences that dictate the ultimate need to capture lessons learned One must understand that the lessons can provide a platform to assist one another in reaching higher addressing new challenges confidently persevering through extreme adversity and exploring opportunities never considered before as we all answer our own calling We consider the need for reflection by leaders as necessary to honor the past and to build a pathway to future success We find ourselves in unprecedeted times in the world of educational leadership yet recognize that the principles and foundational pieces that have been a part of our work remain constant Embracing reflection allows us to honor the past while best serving in the unknown tumultuous and exciting future It creates the opportunity to unload and process our experiences while learning from one another We must provide a space that inspires others to engage in this during their leadership experiences This is the basis for our story *The Calling of the Church in Times of Polarization* ,2022-10-31 In many societies all over the world an increasing polarization between contrasting groups can be observed Polarization arises when a fear born of difference turns into us versus them thinking and rules out any form of compromise This volume addresses polarizations within societies as well as within churches and asks the question given these dynamics what may be the calling of the church The authors offer new approaches to polarizing debates on topics such as racism social justice sexuality and gender euthanasia and ecology and agriculture in various contexts They engage in profound theological and ecclesiological reflection in particular from the Reformed tradition Contributors to this volume are Najib George Awad Henk van den Belt Nadine Bowers Du Toit Jaeseung Cha David Daniels David Fergusson Jan Jorrit Hasselaar Jozef Hehanussa Allan Janssen Klaas Willem de Jong Vikt ria K czi n Philipp Pattberg Louise Prideaux Emanuel Gerrit Singgih Peter Ben Smit Thandi Soko de Jong Wim van Vlastuin Jan Dirk Wassenaar Elizabeth Welch Annemarieke van der Woude and Heleen Zorgdrager
