That New Guy:

New Men Thomas A. Foster, 2011-01-24 New Men considers the conditions of early America which shaped and were shaped by ideals of masculinity *The New Men* Jon Enfield, Tony Grams comes to America at the start of the twentieth century set on becoming a new man Driven to leave poverty behind he lands a job at the Ford Motor Company that puts him at the center of a daring social and economic experiment The new century and the new auto industry are bursting with promise and everyone wants Henry Ford's Model T But Ford needs men to make it Better men New men Men tough enough and focused enough to handle the ever bigger ever faster assembly line Ford offers to double the standard wage for men who will be thrifty sober and dedicated and who will let Ford investigators into their homes to confirm it Tony has just become one of those investigators America and Ford have helped him build a new life so at first he's eager to get to work But world war labor strife and racial tension pit his increasingly powerful employer against its increasingly desperate enemies As Tony and his family come under threat from all sides and he faces losing everything he's built he must struggle with his conscience and his weaknesses to protect the people he loves *How to be . . . The New Person* Anna Branford, 2022-09-27 Delightful and insightful story from the author of the Violet Mackerel series Hazel Morrison has a secret habit pretending to make videos about everyday things Eight important tips for successfully buttering toast Putting your hair in a ponytail a step by step guide But when her family move to the outer suburbs Hazel has to cope with starting at a new school where she doesn't exactly feel welcomed A school project inspires her to create a real video a how to guide for being the new person because everyone sometime will meet one or be one **Hirano and Kagiura (novel)** Shou Harusono, Kotoko Hachijo, 2023-02-21 Kagiura is equal parts eager and anxious to start a new chapter of his life as a high schooler He's aiming to be a star player on the basketball team and he's even moved into the school dorms Upon arrival he discovers that his roommate is a blond pierced delinquent looking upperclassman First impressions aside Hirano isn't actually as rough as he seems He wakes Kagiura up in the morning helps him with his studies and is a great listener to boot This is a peek into their daily lives and the hints of a blossoming love **The New Men of Power** Charles Wright Mills, 2001 When C Wright Mills published *The New Men of Power* in 1948 he thought labor leaders a new strategic elite and the unions a set of vanguard organizations that were crucial to stopping the main drift towards war and slump Today as the unions once again seek to play a decisive role in American life Mills' remarkable probe into the structure and ideology of mid twentieth century trade unionism remains essential reading A new introduction by historian Nelson Lichtenstein offers insight into the Millsian political world at the time he wrote *The New Men of Power* *Masculinities and Culture* John Beynon, 2001-11-16 What is masculinity Is masculinities a more appropriate term How are masculinities socially culturally and historically shaped How are particular masculinities created enacted and represented in specific settings How can masculinities best be researched and theorized *Masculinities and Culture* explores how masculinities or ways of being a man are anchored in time and place the products of

socio historical and cultural circumstances It examines the emergence of a masculinity fit for Empire in the mid to late nineteenth century and by way of contrast the more recent media driven commercial New Man and New Lad masculinity The author considers some of the media discourses shaping masculinities today and the formation of specific masculinities in specific settings such as prisons hospitals and schools which both define and in turn are defined by strongly held conceptions of acceptable masculine behaviour He concludes by reviewing a range of ways in which masculinities might be researched from fieldwork and auto biographical and life history approaches through to semiotics and the use of both film and literary texts This lively text provides a comprehensive introduction to contemporary debates concerning masculinities as gendered constructions along with the means of researching and theorizing them *Long Line Writer* ,2000
