The Ababination Run:

Running Prophecy Curtis A. Routley,2012-04-09 RUNNING PROPHECY is a mix of my previous book The Vision of All and my spectacular studies that open up Revelation to its readers It is presented sequentially so I call the work RUNNING PROPHECY When the maps of the first book are combined with the charts and drawings it becomes easy to see how all the events of prophecy fit together When the sequence is established the drawings and the charts are easy to understand and everything fits into its proper order and position in time

No Angels R. J. Parry,2016-08-30 An ancient reaper alters the DNA of mankind creating reaper human hybrids Hell is under new management and abominations are escaping from its pits A Nazi with the powers of a devil has plans for world domination The only ones that can save us are an angel of death and the controller of the guardian angels But they are no angels

Our Race ,1891 **The Rapture and the Tribulation Are Past** Isiah Lawrence Nottage, Bishop Isiah Lawrence Nottage writes with rare eloquence in his book The Rapture and the Tribulation Are Past This book shows that the rapture and the second coming of Jesus Christ have already taken place Bishop Nottage presents 92 examples convincing evidence proving that the rapture has past He demonstrates from the scriptures and Jewish history the time when the last days began and ended as well as the year month and date Jesus Christ returned The book states when the seven years of tribulation began and ended who WAS the Antichrist who was the beast and explains the number 666 In addition the author reveals the names of the seven hills on which the harlot woman sat Revelation Chapter17 1 17 Readers will be enlightened to the mystery of Babylon the great and what was the filthiness written on her forehead Other revelations Who were the riders of the white red black and pale horses of Revelation Chapter 6 2 8 What are the names of the seven heads of the beast Who was the beast who came up out of the earth with two horns

DANIEL: Touchstone of Prophecy Kent Stevens,2008-07-31 Scholars agree Daniel s prophecies detail history up to 164 B C then opinions split But why not continue following the trail of history What if we could prove his prophecies are already fulfilled This verse by verse pursuit takes us a little outside popular explanations and turns up some surprising answers Discover how the Little Horn of the dragon has been in plain sight of history all along why one prophecy is divided into weeks who is the real prince to come and who is the true Covenant Maker that the 2300 evenings and mornings are not mere days on a calendar how the 1290 and 1335 day prophecy bring us to an oft neglected turning point in Jewish history Determined to let Scripture speak for itself Kent Stevens attempts to support every verse with well known details from history Even if you end in disagreeing with the author s compelling arguments we hope you will conclude with him that Daniel is truly a unique touchstone that challenges and tests the way we view prophecy

As Time Runs Out Robert Jeffress,1999 Why should Christians be concerned about the end times when we have so much to worry about in the here and now This kind of short sighted thinking is why so many people pastors and laypeople spend little time studying the prophetic passages of Scripture But understanding biblical prophecy is not only important for scriptural analysis it s imperative for pursuing a full spiritual life As Time Runs Out gives you simple step by step instructions on how to interpret biblical prophecy and apply it to your everyday walk with God *The Oriental Sporting Magazine* ,1874
