**The Polemical Force of Chekhov's Comedies** John McKellor Reid,2007

This work is a revisionist study of Anton Chekhov's drama which points out for the first time the rhetorical and polemical elements that have remained unnoticed or unmentioned in previous studies This work will appeal to scholars interested in Chekhov's plays and the polemical force of drama emasculate the polemical force Chekhovian comedy out of misplaced respect for his renowned objectivity and his loathing of overt moralizing A rhetorical framework of analysis is predicated upon the assumption that all writings are implicated in interestedness the critic's task is to uncover the rhetorical parameters and nature of that interestedness Through analyses of each of Chekhov's plays in its original context the author identifies the rhetorical potential that remains neglected in contemporary readings and productions All of the readings in this study are addressed to actors and directors inviting them to reassess and reclaim the force of these plays for our time

**Phenomenology of a Puppet Theatre** Jan Mrázek,2005 No previous work on wayang has treated in depth what is the focus of this book the power of the theatrical medium the actuality of the performance as a physical emotional and social experience and event and the sensations and feelings involved in performing and watching an all night wayang performance A single puppeteer moves puppets delicately carved and painted according to a complex iconography in dance like patterns integrated with continuous music which he also directs he speaks the voices of all characters and he represents beings and a mythological world that reflect on the human world including the specific occasion and the people present Paying attention to the wholeness of the multimedia performance as an event as well as to the sensations subtle movements and particular intonations of the performance the author of this book bases his thick description on years of learning to perform wayang attending and participating in performances interviews and discussions with people involved with wayang supplemented by study of texts from old manuscripts and performance manuals to newspaper articles and reports on performances He shows the need not to be limited to any single discipline in wayang the relationships and interaction for example between visual movements and music or between actions on the screen and actions among the audience participants are no less significant than for example the relationships within music The book includes the most extensive discussion of recent changes in wayang theatre its interaction with various traditional and modern entertainments and the ways it is affected by politics and economy A postscript focuses on the post Soeharto era The book is a contribution to the study of Indonesian performing arts and culture but it is also intended for anyone interested in theatre and performing arts generally Book jacket
