

A close-up photograph of a window frame and the corner of a wall. The wall is a light beige or off-white color. The window frame is white and appears to be made of wood or a similar material. There is some visible wear and tear at the corner where the wall meets the frame, with some of the paint or plaster missing, revealing a darker, textured surface underneath. The lighting is soft, coming from the right side, creating a slight shadow on the wall.
