## **Textual Orientations:**

Textual Orientations Harriet Malinowitz, 1995 The research from which the book evolves centers on an unusual situation lesbian gay bisexual and heterosexual writers together in a class for which lesbian and gay experience is the theme What happens in such a circumstance What kind of discourse community is formed What kinds of new work does it enable

**Present and Future of Biblical Studies** Tat-siong Benny Liew, 2018-07-17 What is the current state of the field known as biblical studies How will biblical studies continue to develop in this diverse globalized and digital age In this book a diverse group of scholars who are known for their innovative practice of biblical interpretation come together to celebrate the 25th anniversary of the critically acclaimed journal *Biblical Interpretation* by sharing their thoughts on and questions about the assumptions practices and parameters of biblical studies as well as their desires and fears about its disciplinary future Covering a wide range of topics geographical regions resources understandings and viewpoints this exceptional collection of essays will make you and help you rethink the conventions and convictions of biblical studies as an academic discipline

A Developmental-functionalist Approach To Child Language Nancy Budwig, 2013-04-15 Although there has been much empirical study within what has been referred to as functional approaches to child language there has yet to be a major attempt to compare and contrast such proposals In addition much of the work carried out within child language from a functionalist perspective has not been specific with regard to the nature of the approach adopted In attempting to fill the gap the author of this book begins with a comparison of various functionalist approaches By concentrating on one domain agentivity and control Budwig develops a set of research questions based on an examination of findings stemming from linguistics psycholinguistics and developmental psychology and also provides an in depth discussion of related methodological issues In the second part of the book she traces the development of linguistic means to refer to oneself within a developmental functionalist perspective Individual case studies as well as group analyses of six children in the early phases of acquiring English grammar are provided In the last part Budwig examines the relationship between forms and functions in development with special attention to potential generalizations about the organization and reorganization of the children's linguistic systems

**Fashioning Lives** Eric Darnell Pritchard, 2016-11 *Fashioning Lives* combines analysis of archival documents literature and film with the experiences of contemporary Black Lesbian Gay Bisexual Transgender and Queer LGBTQ individuals to demonstrate the usefulness of literacy as a historical and sociological lens for examining black queer cultural production and consumption In addition Eric Darnell Pritchard provides a theoretical framework for future analysis of the intersections of race and queerness in literacy composition and rhetoric

*Methodology in the Use of the Old Testament in the New* David Allen, Steve Smith, 2019-09-19 This volume brings together scholars of both the Old and New Testaments to discuss three areas of methodological interest in respect of the use of the Old Testament in the New OT NT It begins with an interdisciplinary conversation into insights that OT NT scholars might glean from other related disciplines and

approaches The subsequent essays consider the notion of an Old Testament text's context and how contemporaneous authors such as Philo or the Qumran community conceived of and attended to the concept The contributors then turn their focus to the criteria that can should be used for determining Old Testament allusions or echoes and the legitimacy for so doing particularly responding to the work of Richard Hays The volume closes with a fresh proposal for OT NT methodology along with a concluding reflection on the collected essays Encyclopaedia of Midrash Jacob Neusner, Alan

Avery-Peck, 2022-11-07 The Encyclopedia of Midrash Biblical Interpretation in Formative Judaism provides a systematic account of biblical interpretation in Judaism from well before the second century BCE through the end of the seventh century CE While emphasizing the Rabbinic literature it also covers interpretation of Scripture in a number of distinct canons ranging from the Targumic literature and Dead Sea Scrolls to the New Testament and Church Fathers The encyclopedia comprises fifty six essays written by thirty scholars representing the leading figures in the study of ancient Judaism and biblical interpretation in North America Europe and the State of Israel Alongside a general introduction to Rabbinic Midrash and its traits including the theoretical questions of definition origins theology hermeneutics genre criticism and language the encyclopedia addresses specific topics of concern in the study of scriptural interpretation How Rabbinic midrashic documents that focus on specific books of Scripture read those specific books the theology expressed by Rabbinic midrashic compilations and the historical context in which Rabbinic Midrash took shape all are treated Beyond these central issues in understanding Rabbinic Midrash the encyclopedia treats interpretations of Scripture that came to closure prior to or outside of the framework of Rabbinic Midrash Hellenistic Jewish Midrash Josephus Pseudo Philo Jubilees as well as to the New Testament Karaite and Samaritan writings and the Dead Sea Scrolls The Encyclopedia of Midrash provides readers with a depth and breadth of treatment of Midrash unavailable in any other single source Through the writings of top scholars in each of their fields it sets out the current state of the question for each of the many topics discussed in its pages The print edition is available as a set of two volumes 9789004141667 *LGBT Student Negotiations of Academic Literacies* Brian
