 Lover What images does it bring to mind If you're like most you're imagining heated lusty affairs and romantic one night
 stands Latin Lovers Do We Really Exist written by Pablo Castaneda a native Guatemalan redefines the Latin Lover as one
 having far more depth than today's society would lead you to believe Castaneda argues that the Latin heart is fueled by a
 much stronger passion that longs to greet each second of life with love and enthusiasm Pablo believes that women have
 intrinsic value and that men are truly blessed when they simply follow their hearts and love the woman in their life He insists
 that through the years his contact with women all over the world has both inspired him to be a better man and prepared him
 to be a better husband He believes that each love relationship has its own magic its own mystery and its own story to tell He
 shares the relationships he has cultivated with women and the invaluable lessons he's gleaned from each romance Pablo
 relates how his God-given passion for life is rooted in his Latin culture He recounts how his family music dancing and coffee
 have all played a huge role in shaping him into the man he is today He shares how the change God brought about in his life
 has shown him the importance of dedicating time to get to know his heart In conclusion Pablo discloses the only way of
 becoming a real Latin Lover He implores you to join him in his journey and in so doing perhaps find some answers in your
