## **The League:**

*The League of Nations Experience* Aurora Almada e Santos, Yvette Santos, 2024-12-16 As an early experiment in the creation of multilateral institutions the League of Nations was entrusted by its members to maintain peace but also to be a standard maker and a manager of contemporary problems and challenges requiring a global response Nevertheless after a while it became clear that its performance in addressing major conflicts did not live up to the expectations of guaranteeing collective security In the functional areas although the organization created precedents it also showed limitations Due to its complexity increasingly the League of Nations has been studied not only from an institutional perspective but also from a more multidimensional and comparative point of view that allows to consider the presence and role of the organization in various scales and spaces besides its relationship with a diversity of actors and themes *The League of Nations Experience Overlapping Readings* offers a multitude of interpretations evincing some of the promising avenues through which the League of Nations continues to inspire academic research

**The Untold Story of Women of Color in the League of Women Voters** Carolyn Jefferson-Jenkins, 2020-02-24 *The Untold Story of Women of Color in the League of Women Voters* explores ways in which these women have been marginalized and recognizes how their contributions will positively influence the organization as it moves into its next 100 years On February 14 2020 the League of Women Voters of the United States celebrated the 100th anniversary of its founding Although women of color have always made significant contributions to women's suffrage and the women's movements their contributions particularly as they relate to the League of Women Voters LWV have been marginalized and relegated to the footnotes of the organization's history *The Untold Story of Women of Color in the League of Women Voters* adds a new dimension to these conversations The book is structured to show the progression of the relationship between the League of Women Voters and its members of color as manifested in changes to its policies practices symbols and messaging It begins with the suffrage movement and continues until the celebration of the 100th anniversary of the League and uses actual correspondence convention minutes existing League histories and personal accounts to tell the League story Chapter titles disclose the philosophical shifts in attitude at each stage of the organization's evolution

[Britain and the Intellectual Origins of the League of Nations, 1914-1919](#) Sakiko Kaiga, 2021-04-22 An innovative study of the pre history of the League of Nations tracing the pro League movement's unexpected development

**Historical Dictionary of the League of Nations** Anique H.M. van Ginneken, 2006-01-16 Created in 1919 shortly after World War I the League of Nations was principally designed to put an end to war But it went into hibernation when World War II broke out and was formally wound up in 1946 Not having achieved its primary objective it was deemed a failure However the many accomplishments it did realize certainly allows for arguments against this idea During its two decade existence the League of Nations resolved and defused many conflicts and crises as well as established a rapport among its members It was also active in many other political social and technical fields including minorities refugees human rights

labor health telecommunications and supervision of former colonial territories which had become mandates Above all the League of Nations proved to be training ground for the United Nations and the countless other organizations both governmental and non governmental which now surround us Just what the League of Nations was able to do during its brief but hectic career is summed up in this book The dictionary section contains several hundred cross referenced entries on its founders and supporters its rather small staff and secretariat the various subordinate or related organizations and their overwhelming tasks The historical background is described in the introduction and plotted year by year in the chronology while the bibliography points to further reading    The League of Nations League of Nations.
