Ashford, Craig W. LeCroy, Kathy L. Lortie, 2001 In this revision of their ground breaking book the authors offer an even more balanced integrated and applied text In addition the book s multidimensional framework

integration of the biopsychosocial dimensions for assessing social functioning attention to foundation knowledge and diversity and use of case studies to illuminate the applied aspects of HBSE content all combine to give readers an experience that is meaningful and exciting Using a unique multidimensional framework for assessing behavior the authors look at biopsychosocial development across the life span Essentially the framework provides a concrete tool for the reader to assess human behavior from a perspective that truly reflects the values and knowledge base of the social work profession Lively and comprehensive this book succeeds by helping students connect foundation knowledge with practice concerns **Alcohol Health and Research World** ,1987 **Current Index to Journals in Education** ,2000 **Social Sciences Index** ,1999

Lifespan Development Kelvin Seifert,Robert J. Hoffnung,Michele Hoffnung,1997 The authors believe that lifespan psychology is relevant to current career and social issues that all adults face It is especially relevant to those who will work or live with children adolescents or the elderly Their goal in writing this book is to present development at every stage of lifespan from a growth perspective Pref The authors wrote this new text to enable students to find themselves and the people they know in the story of lifespan development It is a story of how we grow and change throughout our lives and of the continuities across every stage and domain of life Back cover Handbook of Parenting: Status and social conditions of parenting Marc H.
