4th Grade Theme Lesson Plans:

Lesson Plans for the Elementary PE Teacher Michael E. Gosset, 2018-07-24 This new book provides PE teachers with practical lesson plans for teaching movement at every elementary grade level. The book's movement and skill theme based approach which differs from the typical activity based approaches found in many schools helps students develop overall health and well being regardless of sports interests and hobbies. Each lesson plan is broken down into subsections to illustrate the physical, cognitive and affective benefits the central theme or concept to be explored the grade level and the equipment needed. By sequencing these lesson plans so that students develop general body awareness and coordination before finer motor skills like throwing and catching the author offers a model of PE instruction that will promote healthy lifestyle choices long after graduation.
