Christmas and the British: A Modern History Martin Johnes, 2016-10-06 The modern Christmas was made by the Victorians and rooted in their belief in commerce family and religion Their rituals and traditions persist to the present day but the festival has also been changed by growing affluence shifting family structures greater expectations of happiness and material comfort technological developments and falling religious belief Christmas became a battleground for arguments over consumerism holiday entitlements social obligations communal behaviour and the influence of church state and media Even in private it encouraged reflection on social change and the march of time Amongst those unhappy at the state of the world or their own lives Christmas could induce much cynicism and even loathing but for a quieter majority it was a happy time a moment of a joy in a sometimes difficult world that made the festival more than just an integral feature of the calendar Christmas was one of British culture's emotional high points Moreover it was also a testimony to the enduring importance of family shared values and a common culture in the UK Martin Johnes shows how Christmas and its traditions have been lived adapted and thought about in Britain since 1914 Christmas and the British is about the festival's social cultural and economic functions and its often forgotten status as both the most unusual and important day of the year

celebration of Christmas For decades it has taught audiences about what the celebration of the season looks like from the
decorations to the costumes and to the expected snowy weather as well as mirrors our own festivities back to us Films like It
s a Wonderful Life and Home Alone have come to play key roles in real life domestic celebrations watching such titles has
become for many families every bit as important as tree trimming and leaving cookies out for Santa These films have
exported the American take on the holiday far and wide and helped us conjure an image of the perfect holiday Rather than
settling the what is a Christmas film debate indeed Die Hard and Lethal Weapon are discussed within Analyzing Christmas in
Film Santa to the Supernatural focuses on the how Christmas is presented on the deluge of occasions when it appears While
most Christmas films are secular religion makes many cameos appearing through Nativity references storylines involving
spiritual rebirth the framing of Santa as a Christ like figure and the all importance of family be it the Holy family or just those
gathered around the dining table Also explored are popular narratives involving battles with stress and melancholy single
parents and Christmas martyrs visits from ghosts and angels big cities and small towns break ups and make ups and the
ticking clock of mortality Nearly 1000 films are analyzed in this volume to determine what the portrayal of Christmas reveals
about culture society and faith as well as sex roles consumerism aesthetics and aspiration **Ebony** ,2004-01 EBONY is the
