

O Come, All Ye Faithful

(Adeste Fideles)

1

John Francis Wade (1711 - 1786)
Arranger: Guilherme Facchetti (*1986)

The musical score consists of four staves, each representing a different instrument: Violin, Classical Guitar, Vn. (Violin), and C. Gtr. (Classical Guitar). The music is in 3/4 time and G major. The Violin and Vn. staves feature melodic lines with eighth and sixteenth note patterns. The Classical Guitar and C. Gtr. staves provide harmonic support with chords and rhythmic patterns. The score is divided into three systems, with measure numbers 1, 17, and 24 indicated above the staves.

A Faithful Beat:

The New sporting magazine ,1840 **Liturgical Music as Ritual Symbol** Judith Marie Kubicki,1999 In this book Sister Kubicki uses Jacques Berthier's Taizé music to explore the nature of liturgical music as ritual symbol. She carries out a hermeneutical analysis of Berthier's chants and examines biographical and historical data related to the creator's of Taizé music and the founding of the Taizé community. The author draws on five areas of study to interpret the Taizé chants as ritual symbol: symbol theory, semiotics, theologies of symbol, ritual theory and performatives language theory. The final chapter explores potential ecclesial meanings which may be mediated in the Taizé liturgy and the role of Berthier's chants in mediating that meaning. The study concludes that it is music's symbolic property that enables it to be both ministerial and integral to the liturgy. As symbolic activity, music making evokes participation, negotiates relationships and enables the assembly to orient themselves and to find their identity and place within their world. Furthermore, music making provides the illocutionary force to do something in the act of singing. Thus it is that as part of a complexus of ritual symbols, music interacts with other symbols in mediating the liturgy's meaning.

The Words and Music of Bob Marley David V. Moskowitz,2007-02-28 Throughout his life and perhaps even more since his death in 1981 at the age of 36 Bob Marley's music has demonstrated a unique ability to combine with almost any cultural setting no matter how different the elements might at first appear. Through his adaptable yet enduring musical messages he represents an especially articulate type of singer songwriter. Marley released a large quantity of introspective autobiographical material at the height of his success and it is thus only in a work such as this in which the artist is investigated through his recorded output that one can understand who this great man truly was and what he hoped to achieve through his life and music. Time magazine made Bob Marley's impact strikingly clear when it named Exodus the most important album of the 20th century. Throughout his life and perhaps even more since his death in 1981 at the age of 36 Marley's music has demonstrated a unique ability to combine with almost any cultural setting no matter how different the elements might at first appear. Through his adaptable yet enduring musical messages he represents an especially articulate type of singer songwriter. Marley released a large quantity of introspective autobiographical material at the height of his success and it is thus only in a work such as this in which the artist is investigated through his recorded output that one can understand who this great man truly was and what he hoped to achieve through his life and music. The Words and Music of Bob Marley investigates Marley's creative output chronologically and provides complementary biographical information where it is relevant and helpful. Themes discussed throughout the book include protest, revolution, love, hate, biblical concepts and Rastafari culture.
