Federal Impeachment Process A Constitutional And Historical Analysis

Donald P. Kommers

Federal Impeachment Process A Constitutional And Historical Analysis:

The Federal Impeachment Process Michael J. Gerhardt, 2000-06-15 Michael Gerhardt examines the likely political and constitutional consequences of President Clinton's impeachment and trial. Placing the President's acquittal in historical perspective, he argues that it is consistent with the process as it has evolved over the last two centuries. [The Federal Impeachment Process](#) Michael J. Gerhardt, 2000. Throughout President Clinton's impeachment proceedings, the contending sides agreed on very little. One exception was *The Federal Impeachment Process*, the most complete analysis of the constitutional and legal issues raised in every impeachment proceeding in American history. In this edition, Michael Gerhardt draws on his experience as a commentator and expert witness to examine the likely political and constitutional consequences of President Clinton's impeachment and trial. Placing the President's acquittal in historical perspective, he argues that it fits easily within the impeachment process as it has evolved over the past two centuries. Impeachment, he shows, is an inherently political process designed to expose and remedy political crimes. Subject neither to judicial review nor to presidential veto, it is a unique congressional power that involves both political and constitutional considerations, including the gravity of the offense charged, the harm to the constitutional order, and the link between an official's misconduct and duties. Significantly updated, this book will be the standard work on the federal impeachment process for years to come. On the first edition: *The most comprehensive analytic study of the federal impeachment process to date.* Choice. This book is by some margin the most successful analysis of impeachment issues to have been written, and it will be the standard work for years to come. Constitutional Commentary [Role of the Senate in Judicial Impeachment Proceedings](#) Susan Navarro Smelcer, 2010-08. Contents: 1. Intro 2. Overview of the Impeachment Process in the House and Senate 3. Rules Governing Senate Impeachment Proceedings 4. Organizing the Senate for Trial 5. Role of the Presiding Officer 6. Use of an Impeachment Trial Committee 7. Organization and Response of the Committee 8. Procedure During the Preliminary Phase of Its Proceedings 9. Procedure During the Evidentiary Phase of Its Proceedings 10. Submitting a Report to the Full Senate 11. Deliberation by the Full Senate 12. Judgment by the Full Senate 13. Length of Senate Impeachment Trials 14. Concluding Observations. App. A: H. Res. 1031, Articles of Impeachment Against Judge G. Thomas Porteous. App. B: Chart of the Senate Impeachment Trial Process. Tables. [Impeachment in U.S. History](#) William K. Bolt, Scott Kaufman, 2025-12-26. This book offers the most comprehensive study yet of the history behind impeachment in the United States, considering its use against presidents, judges, justices, and members of the cabinet. Although the Founding Fathers intended for the impeachment of federal officials to take place rarely and only for the most egregious instances of malfeasance, calls for impeaching members of the U.S. government seem today to be almost routine. Presenting their arguments in a manner engaging to laypersons and specialists alike, authors Bolt and Kaufman describe the precolonial and colonial origins of impeachment in the United States, how the Founding Fathers intended for the process of impeachment to occur, the changes that have taken place to that process since the country's founding, and why one hears the

word impeachment used so often at present Incorporating dozens of cases including many that are oftentimes forgotten this book demonstrates that partisanship is not new when it comes to trying to remove federal officers from their post and that unseating those officers via impeachment proceedings has proven very difficult Accessibly written and featuring a number of primary source documents and tools for student learning Impeachment in U S History is ideal for students of American history and American political history in particular

Examining the Allegations of Misconduct Against IRS

Commissioner John Koskinen United States. Congress. House. Committee on the Judiciary, 2016

Background and History of Impeachment United States. Congress. House. Committee on the Judiciary. Subcommittee on the Constitution, 1998

Separation Of Powers: Documents and Commentary Katy Harriger,2003-02 The dozen introductory essays and 56 documents are designed to help spice up the usually dreary courses on the separation of powers in the US government by illuminating the dynamics and complexity of the concept and the conflict that often accompanies its practice Annotation c 2003 Book News Inc Portland OR booknews com

The Age of Impeachment David E. Kyvig,2008 A Bancroft Prize winning historian chronicles the modern history of impeachment and the shift in American politics and constitutional culture revealed by its evolving interpretation and use

The Presidency and the Law David Gray Adler,Michael A. Genovese,2002 Political scandals have always demonstrated the capacity of our executive officials for self inflicted injuries and the Clinton administration was no exception Unilateral warmaking claims of executive privilege and immunity and last minute pardons all tested the limits of presidential power while the excesses of the Special Prosecutor cast doubts on available remedies For eight years Republicans and Democrats engaged in guerrilla warfare aimed at destroying the careers and lives of their adversaries while tests of presidential power were resolved by the courts resulting in a reshaping of the scope and power of the presidency itself This book examines the many controversial and important battles that led to the shrinking of the presidency under the law during the Clinton administration Located at the intersection of law and politics it helps readers understand the dramatic changes that took place in the relationship of presidential power to the law during the Clinton years and shows how one president s actions and congressional and legal reactions to them have altered presidential prerogatives in ways that his successors cannot ignore The Presidency and the Law offers an assessment of changes in constitutional and legal understanding of the American presidency exploring such topics as war power executive privilege pardon power impeachment executive immunity

independent counsel and campaign finance In examining these collisions between president and the law its distinguished contributors bring the lessons of Watergate and Iran Contra into the Clinton era and contribute to a Madisonian view that presidents should not operate outside statutory and constitutional constraints While the essays offer several criticisms of that administration s exercise of power and its interpretation of constitutional provisions and law many of the authors have been supportive of Clinton and his policy pursuits and all seek to examine the potential impact of the Clinton administration without being predictive or legalistic They offer instead commentary analysis and criticism that examine the legality and constitutionality of President Clinton s actions within a broader political and historical context The presidency is constitutionally weaker and politically more vulnerable than the office Bill Clinton assumed in 1993 and it remains to be seen what impact these changes will have on the presidency in the 21st century This book points the way to assessing that impact and is essential reading for anyone concerned with the future of our democracy **Regent University law review** ,1997

The Federal Impeachment Process Michael J. Gerhardt,2019-04-12 As President Trump and Congressional Democrats battle over the findings of the Mueller report talk of impeachment is in the air But what are the grounds for impeaching a sitting president Who is subject to impeachment Is impeachment effective as a safeguard against presidential misconduct What challenges does today s highly partisan political climate pose to the impeachment process and what if any meaningful alternatives are there for handling presidential misconduct For more than twenty years The Federal Impeachment Process has served as the most complete analysis of the constitutional and legal issues raised in every impeachment proceeding in American history Impeachment Michael J Gerhardt shows is an inherently political process designed to expose and remedy political crimes serious breaches of duty or injuries to the Republic Subject neither to judicial review nor to presidential veto it is a unique congressional power that involves both political and constitutional considerations including the gravity of the offense charged the harm to the constitutional order and the link between an official s misconduct and duties For this third edition Gerhardt updates the book to cover cases since President Clinton as well as recent scholarly debates He discusses the issues arising from the possible impeachment of Donald Trump including whether a sitting president may be investigated prosecuted and convicted for criminal misconduct or whether impeachment and conviction in Congress is the only way to sanction a sitting president what the Emoluments Clause means and whether it might provide the basis for the removal of the president whether gross incompetence may serve as the basis for impeachment and the extent to which federal conflicts of interest laws apply to the president and other high ranking officials Significantly updated this book will remain the standard work on the federal impeachment process for years to come **American Constitutional Law: Governmental powers and democracy** Donald P. Kommers,2004 *Impeaching Clinton* Nicol C. Rae,Colton C. Campbell,2004 Analysis of the impeachment and portrayal of the partisan and ideologically polarized state of American politics at the turn of the century Argues that the battle was not over Clinton but over control of the policy agenda back cover American Government and

Politics Fenton S. Martin, Robert Goehlert, 1997 A unique new bibliography that helps teachers and students particularly at the high school level find information about government topics The selected books reflect a variety of scholastic levels but avoid works that are beyond the level of most high school students or works that rely heavily on statistical methods The entries are organized in a classified arrangement by topics that appear in most high school government textbooks Each entry lists the title author year of publication page count and publisher and also provides a brief description of the book

American Government Neal R. Tannahill, 1998-12 Public policy is emphasized throughout to show students the impact that government has on their lives The text also offers an abundance of new debate style boxes and revised active learning exercises to involve and engage students in the course material and encourage them to become participants in their government

The Evolving World of Work and Family Marcie Pitt-Catsoupes, Bradley Googins, 1999-03 During the past two decades as researchers have documented the revolutionary shifts which have occurred within families and at places of business the number of academics and corporate practitioners who have devoted their life s work to these important social issues has grown But has the field of study progressed as rapidly as the changes in work and family issues As we are getting ready to face the 21st century many work family leaders are challenging one another to be more articulate about their visions to be bolder about their hopes and to more actively encourage meaningful dialogue about the diverse work and family experiences encountered everyday by working families all over the globe In this special issue of THE ANNALS The Evolving World of Work and Family New Stakeholders New Voices articles will highlight and uncover new dialogues and discoveries in the work and family field A New Work Life Model for the Twenty First Century Work Family Backlash Lower Wage Workers and the New Realities of Work and Family The Impact of Family on Job Displacement and Recovery The articles in this issue discuss some of the newest insights into work and family and how the field has the potential to usher in a millennium of radical social change This issue of THE ANNALS is an essential tool for all scholars and professionals dealing with the changes and challenges regarding work and family

Guide to Congress ,2000 Congress A to Z. David R. Tarr, Ann O'Connor, 1999 Offers nontechnical explanations of congressional operations as well as background on the development of the modern Congress Provides information on such subjects as the legislative process and the congressional committee system Also includes profiles of individual committees and short biographies of important members of Congress past and present

Symposium ,2009

Unveiling the Energy of Verbal Artistry: An Emotional Sojourn through **Federal Impeachment Process A Constitutional And Historical Analysis**

In a world inundated with monitors and the cacophony of instant conversation, the profound energy and mental resonance of verbal artistry usually fade in to obscurity, eclipsed by the constant assault of sound and distractions. Yet, set within the musical pages of **Federal Impeachment Process A Constitutional And Historical Analysis**, a fascinating function of literary elegance that pulses with natural feelings, lies an unforgettable journey waiting to be embarked upon. Penned by way of a virtuoso wordsmith, that magical opus manuals viewers on a psychological odyssey, lightly revealing the latent potential and profound influence stuck within the intricate internet of language. Within the heart-wrenching expanse of this evocative examination, we can embark upon an introspective exploration of the book is key subjects, dissect its interesting publishing model, and immerse ourselves in the indelible impression it leaves upon the depths of readers souls.
