**Loyalty** Frances Armstrong, 1897      **The Cave Girl** Edgar Rice Burroughs, 2023-11-17 In Edgar Rice Burroughs' captivating novel *The Cave Girl* readers are transported to a prehistoric world where survival and primal instincts reign supreme. This adventure-packed narrative intricately weaves themes of civilization versus savagery, exploring the complexities of human nature in a landscape untouched by modernity. Burroughs employs a vibrant literary style characterized by vivid imagery and suspenseful pacing, immersing readers in the exploits of its young protagonist, a girl trapped in a cavern yet simultaneously liberated by her extraordinary adventures. The story showcases a remarkable blend of adventure and romance, reminiscent of Burroughs' other works that often blur the lines between fantasy and reality. Edgar Rice Burroughs, an American writer best known for creating the iconic character Tarzan, penned *The Cave Girl* with a keen understanding of human psychology and a fascination for untamed lands. His varied life experiences, ranging from a soldier to a writer, greatly influenced his storytelling, leading him to depict strong, independent characters who defy societal norms. The blend of romanticism and realism evident in this narrative is emblematic of Burroughs' broader literary pursuits, inviting exploration of humanity's duality.

I wholeheartedly recommend *The Cave Girl* to readers keen on exhilarating escapism and sociocultural reflection. Burroughs' masterful storytelling offers not only adventure but also deeper insights into the human spirit, making this work both entertaining and thought-provoking. Fans of adventure fiction and those fascinated by the exploration of inherent instincts will find this novel a rewarding addition to their literary collections.

Island of Guanyin Marcus Bingenheimer, 2016-04-15 *Island of Guanyin* is the first book in English about Mount Putuo, one of the most popular pilgrimage sites in China. Over the centuries, poems, biographies, maps, and legends about Mount Putuo, as well as descriptions of its landscape and temples, have been collected in a series of local histories known as gazetteers. Following the structure of a gazetteer, this book shows how this Buddhist sacred site has been constructed through textual records in a variety of genres.

Filmmakers, however, were not constrained by the emerging science; instead, they most often took a comedic look at prehistory.
