## **Spoken Turkish One:**

**Talking Turkey** Tözün Issa, 2005 This is the book that teachers and others working with Turkish speaking children and young people have long needed The author's academic rigor combined with his insider's view of the communities families culture and work patterns affords readers real understanding of a community which has developed its own diaspora over the last half century but about which there is little research and scant learning support Part 1 outlines the backgrounds of the Turkish speakers their immigration and employment patterns and examines their community and economic activities in some depth Part 2 is devoted to the children's language and the ways in which they use and acquire both Turkish and English in a range of real life situations in their families and family businesses and in their communities From his analysis of these processes the author identifies what teachers need to know to develop these children's language skills further at school and so enhance their academic attainment Talking Turkey will be essential reading for all those who work with Turkish speakers and will be of interest to teacher trainers educational policy makers and to the Turkish communities

**One Hundred Years of Greek-Turkish Relations** Samim Akgönül, 2024-07-31 The relationship between Greece and Turkey has been fraught with tension for a century with a range of issues including territorial disputes and cultural and political differences Despite being NATO allies and neighbours the two nations have a long history of conflict and mistrust but also a sense of similarity and mutual admiration In the 21st century the situation has become increasingly complex as we have seen a resurgence of nationalist sentiment on both sides as well as an active engagement between the two nations through common initiatives tourism media and social sciences This book analyses the human dimension of Greek Turkish relations using extensive primary data collected from interviews and archival research conducted over 30 years It focuses on the topic of the compulsory exchange and its consequences as well as the Greek minority in Turkey the Turkish minority in Greece and contemporary developments in the mutual yet paradoxical relationships between the two nations

**Keeping Languages Alive** Mari C. Jones, Sarah Ogilvie, 2013-12-12 Many of the world's languages have diminishing numbers of speakers and are in danger of falling silent Around the globe a large body of linguists are collaborating with members of indigenous communities to keep these languages alive Mindful that their work will be used by future speech communities to learn teach and revitalise their languages scholars face new challenges in the way they gather materials and in the way they present their findings This volume discusses current efforts to record collect and archive endangered languages in traditional and new media that will support future language learners and speakers Chapters are written by academics working in the field of language endangerment and also by indigenous people working at the coalface of language support and maintenance Keeping Languages Alive is a must read for researchers in language documentation language typology and linguistic anthropology

**Model Citizens of the State** Rifat Bali, 2012-04-13 Model Citizens of the State The Jews of Turkey during the Multi Party Period is about the history of the Turkish Jews from 1950 to present By using unpublished primary sources as

well as secondary sources the book describes the struggle of Turkish Jews for the application of their constitutional rights their fight against anti Semitism and the indifferent attitude of the Turkish establishment to these problems Finally it describes Turkish Jewish leadership s involvement in the lobbying efforts on behalf of the Turkish Republic against the acceptance of resolutions in the U S Congress recognizing the Armenian Genocide *Muslim European Youth* Steven Vertovec,Alistar Rogers,2018-08-10 First Published in 1998 this volume consists of contributors providing position of Muslim youth in a European context Providing case studies from 5 European nations Denmark France Germany the Netherlands and the United Kingdom The chapters in this book draw from various of anthropological and sociological theory to discuss this topic Many contributors relating back to ethnological research on young Muslims in relation to local government political and religious associations schools as well as community and family Crossing the Aegean Renée Hirschon,2003-05-01 Following the defeat of the Greek Army in 1922 by nationalist Turkish forces the 1923 Lausanne Convention specified the first internationally ratified compulsory population exchange It proved to be a watershed in the eastern Mediterranean having far reaching ramifications both for the new Turkish Republic and for Greece which hadto absorb over a million refugees Known as the Asia Minor Catastrophe by the Greeks it marked the establishment of the independent nation state for the Turks The consequences of this event have received surprisingly little attention despite the considerable relevance for the contemporary situation in the Balkans This volume addresses the challenge of writing history from both sides of the Aegean and provides for the first time a forum for multidisciplinary dialogue across national boundaries **The encyclopædia of missions, ed. by E.M.
