The Invitation System:

The Invitation System Iain H. Murray,1991-10-01 Almost all who claim to be Christians are agreed on the need for evangelism However evangelicals are still distinguished by their authoritative proclamation of man s state in sin necessitating a personal response to Christ in repentance and faith As distinct from vaguer conceptions evangelicals believe in the new birth of individuals In recent years however the pattern in which such conversions are most frequently expected to occur has been linked with the practice of calling people to the front during an evangelistic service This is the invitation system characteristic of modern mass evangelism from back cover   **The Great Invitation** Erroll Hulse,1986 How do we assess the effect of an evangelistic meeting or campaign Are we right to judge its success or failure by the number of people who go forward or sign a card There can of course be no greater or more important invitation to men and women than that of the gospel The preacher should never feel any inhibitions in declaring the free offer of salvation in Christ But does this mean that we are at liberty to use any method that appears to get results Is the appeal or altar call a justified method of encouraging that final commitment or is it an unwarranted addition to the inherent power of the gospel This is controversial and may come as a shock to many who have never considered the rights or wrongs of the invitation system before The authors desire is that all Christians think the issue through and ensure that the Great Invitation of the gospel is not based on modern trends or cultural pressures for instant success but on the sure foundation of the Word of God   **The Dangers of the Invitation System** Jim Ehrhard,1999 God s invitation that must be extended to all is not synonymous with man s invitation system Only since the 1800s has this system been employed to bring men to Christ Since that time this system has been refined and employed to such an extent that many today equate coming to faith with coming down the aisle Such an equation is not only inaccurate it is dangerous because it deceives many into resting their faith on a profession rather than on Christ who alone is able to save to the uttermost p 5   The Invitation System Iain Hamish Murray,196?
