The War was over It was the greatest cataclysm the world had ever known Cities had fallen and the rivers turned to blood Strange powers had been unleashed There were prodigies in the air and magic in the night The sun was dimmed by the clouds of war and the moon no longer gave her light The men who survived struggled for power In the end a new and revolutionary kingdom was established Its name was Mortos **The Iron Gate and Other Poems** Oliver Wendell Holmes, Sr.,2014-03 This Is A New Release Of The Original 1922 Edition *The Iron Gate, and Other Poems* Oliver Oliver Holmes,Mifflin Houghton,2019-03-15 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant The Iron Gate Lynda Cordova,2015-07-18 A book of short stories for people of all ages **The Iron Gate** Raynetta J Stocks,2016-06-09 A pounding knock in the dead of night jolts Rheyden and Rhiannon from their beds It seems there is to be no rest for the weary Deliverers as Laban the great wolf king stands breathless on their doorstep During a Hadein raid on Tiras Romant the Novikai leader has been captured and taken prisoner at General Yurgon s fortress the Iron Gate A blood stained and battered woman has only barely managed to escape the raid with her life and is asking specifically for Rhiannon Yurgon s army is growing as more men and creatures defect to the General s militia in continued search of The Two Now it is up to the Deliverers to stop the wave of terror enveloping the lands and rescue Romant from the pits of Yurgon s fortress nestled on the border of Vulcan Country and the Sands But when a familiar face resurrects in the twins lives a catastrophic argument renders Rheyden unconscious and missing Two paths one mission but will they arrive together
