The Knowledge Base In Educational Administration Multiple Perspectives:

The Knowledge Base in Educational Administration Robert Donmoyer, Michael Imber, James Joseph Scheurich, 1995-07-01 This anthology summarizes and critiques the current knowledge base in the field of educational administration

The Knowledge Base in Educational Administration Robert Donmoyer, Michael Imber, James Joseph Scheurich, 1995-07-01 For scholars and practitioners who are interested in or are concerned about knowledge based issues this book provides a needed antidote to narrow discussions of foundational issues The editors of this book maintain that discussions of a knowledge base in educational administration have typically been limited to a fairly traditional range of scholarly commentary reflective of the status quo within departments of educational administration over the past several decades Other views such as feminist views race ethnic based orientations those that dispute the very idea of a knowledge base and those that simply expand the traditional range have been given little attention within the knowledge base discourse The purpose of this book is thus to open up this discourse by broadening the range of viewpoints being considered
