Snapshots Of Hope:

Snapshots of Hope Richmond Webster, 2005-09-01 Snapshots of Hope is a series of reflections on hope a timely subject in today's world Written by an excellent storyteller this collection features stories of ordinary people trying to find hope in the midst of chaos challenging times and everyday living A little girl a crossing guard at school gets a spot where no one ever needs help so she turns her job into one of waving all at the cars and welcoming everyone as they come to school An old man who stubbornly sits on a rocking chair in his driveway in the midst of a flooded town gives the rest of the town's residents the courage to come home and start cleaning up Hope it would seem is everywhere even in the most unlikely places Told in a simple and charming voice Snapshots of Hope will provide inspiration and a few giggles for its readers St. George & the Dragon Louis Napoleon Parker, 1890

Three Roses and a Thorn Rebecca M. Elizondo, 2023-06-08 Three Roses and a Thorn is the stunning debut of an innovative storyteller It is the story of three generations of Latina women coming to terms with addictive behaviors dysfunctional traits and the representational similarities of being fatherless daughters Rebecca M Elizondo writes from the heart with an optimistic sarcasm Alma the grandmother an uncompromising 89 year old woman battling the final stages of Alzheimer's who aims to make sure her tribe is taken care of after she dies Esperanza a carefree optimistic force also known as Hope has diligently journaled her whole life including the struggles of caring for her and realizing her daughter will soon leave the nest Gabriella an outspoken jovial young woman who brings laughter into everyday life must decide whether to begin a new start on a great opportunity as a journalist From the time Hope was a child Mother's Day was celebrated at the family beach house In reminiscence Alma recalls the days when she was raised in Mazatlán Mexico before immigrating with her five sons to the United States Trying to reconcile what she believes about love her whole life with what she doesn't know about why family secrets exist Keeping this balance is essential for Hope when she navigates the inevitable of her mom's illness and letting her daughter go simultaneously A realization that they are all in this together will ultimately ensure the pain of the past and future The turbulent cycle of inherited traits and life complications is dismantled when Rebecca depicts a family of women whose bond is impenetrable and is battling Alzheimer's It is through her work she has bridged the old and new allowing a better understanding of what it means to be a Mexican woman which is to confront adversity with strength and dignity

Kirkus Reviews. *What Every Church Member Should Know about Clergy* Robert G. Kemper, 1985. [Letters From Bermuda](#) James S. Phelps, 2009-04-09. During the early days of World War II, Joe Phelps made two critical decisions that were to affect the rest of his life. He and Margaret Wieczorek decided to take their chances on a war-time marriage. Joe also decided to enlist in the Naval Reserve. For a while, things were great for the newlyweds, but after less than nine months of marriage, Joe got his orders. He was on his way to duty in Bermuda. During the fifteen months he was stationed there, Joe and Marge exchanged over 500 letters. These letters reveal the great love and affection they had for each other despite the miles that separated them. They show their faith in God and country. And the letters are a time capsule of what America was like in 1943 and 1944. Find out about Nicklelodeon dances, the Lux Radio Theater, hit movies, shoe stamps, The Inner Sanctum, jitterbugging, Camp Grant, knitted for Britain, Hopalong Cassidy, and all the hot spots in Rockford, Illinois. Book Reviews. Phelps Creates Family Treasure. A box of letters stored away since 1945 resurfaced 60 years later. In 2005, letters written back and forth between James's parents in 1943 and 1944. James made the decision to devote time to preserving this time in his parent's history. As James began to delve further into the readings, he realized the beauty in the language and his parent's relationship. He also learned much of the social history as revealed by his mother's writing. His mother's letters provide a snapshot of life in the early 1940s. For those with a penchant for history, for the stories behind the people, and for those appreciative of beautiful and telling letter writing, this may be the book for you. Sarah Johnson, Editor, Publisher of FYI NORTHWOODS. Presque Isle, Wisconsin. Pick up this book for a fascinating journey to the America of yesterday as seen through the eyes of real-life heroes who weren't seeking special recognition. They just tried the best they could, meeting their responsibilities in everyday life overseas and on the home front. By the time you finish this book, you'll feel like they're old friends. Not only is this unique book a very interesting read, it is also a time capsule that contains some mementoes of an era that is long gone but part of our history. Some readers may still have grandparents who recall having lived during this era; for them, it will be like a walk down memory lane. For others who are too young to recall it personally, it is a glimpse into a time that is viewed through old photographs, almost surreal but at once real and honest.
