Tigerheart Peter David, 2008-06-17 For all readers who have ever lent an enthusiastic ear to a wonderfully well told tale or tumbled gladly into pages that could transport them anywhere now comes novelist Peter David's enchanting new work of fantasy Action packed and suspenseful heart tugging and wise it weaves a spell both hauntingly familiar and utterly irresistible for those who have ever surrendered themselves to flights of fancy and have whispered in their hearts I believe Paul Dear is a good and clever boy doted on by a father who fills his son's head with tall tales thrilling legends and talk of fairy folk and by a mother who indulges these fantastic stories and tempers them with common sense But Paul is special in ways that even his adoring parents could never have imagined For by day in London's Kensington Gardens he walks and talks with the pixies and sprites and other magical creatures that dwell among the living but are unseen by most And at night in his room a boy much like himself yet not beckons to Paul from the mirror to come adventuring It's a happy life for Paul made all the more so by the birth of his baby sister But everything changes when tragedy strikes and Paul concludes that there's only one course of action he can take to dispel the darkness and make things right again And like countless heroes before him he knows that he must risk everything to save the day Thus begins a quest that will lead Paul down the city's bustling streets to a curio shop where a magical ally awaits him and

launches him into the starry skies bound for a realm where anything is possible Far from home he will run with fierce Indian warriors cross swords with fearsome pirates befriend a magnificent white tiger and soar beside an extraordinary ageless boy who reigns in a boundless world of imagination Brimming with the sly humor and breathless excitement of a traditional Victorian bedtime story deftly embroidered with its own unique wisdom and wonder Tigerheart is a hymn to childhood s happiness and heartbreak a meditation on the love courage sacrifice and faith that shape us and define our lives and a splendidly rendered modern fable for readers of any age that brilliantly proves itself a worthy brother to the timeless classic that serve as its inspiration *Snow Bird and the Water Tiger, and other American Indian tales, by Margaret Compton*

Discover the Magic : Delia Owens' "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
