## **So Shy:**

*Not So Shy* Noa Nimrodi, 2023-04-04 Twelve year old Shai hates everything about moving to America from Israel. She is determined to come up with a plan that will get her back home. Maybe she can go back with her grandparents when they come to visit. Or maybe she can win a drawing competition that offers a plane ticket to any destination in the world as the grand prize. Meanwhile she is stuck navigating seventh grade in a language that used to be just a subject in school. As Shai faces antisemitism but also gains support from unexpected sources she starts to see her new life with different eyes. Maybe home is a place in the heart. A Sydney Taylor Honor Book.

*He's So Shy* Linda Cajio, 2013-04-08 In this charming tale a love for the ages leaps off the silver screen as a famous movie star emerges from his shell once and for all. When Penelope Marsh last laid eyes on the gorgeous man standing before her Richard Creighton had been a skinny nerd with glasses. Now he is one of the most popular actors in the world. The only reason he is back in New Jersey is to play the lead in a period piece directed by Penelope's cousin. But Penelope is too old for a schoolgirl crush especially when the crush in question is a sexy Hollywood hunk. Still sometimes shocked to be the object of a pretty woman's desire Richard is most comfortable with the cameras rolling hiding behind the mask of his carefully crafted characters. Penelope's presence on the set brings back memories of his painfully shy childhood and yet he is powerfully drawn to the willowy schoolteacher with the long legs and vivid blue eyes. Most celebrity romances must weather promiscuous starlets and invasive paparazzi but Richard faces a different challenge altogether proving that he is come into his own since he was a kid not to Penelope but to himself. Includes a special message from the editor as well as excerpts from these Loveswept titles *Along Came Trouble* *The Notorious Lady Anne* and *Unforgettable*.

*Pieces of the Heart II* Mike Haszto, 2009-01-15 The follow up book to the popular original *Pieces of the Heart* exploring more emotions and inspiring another group of readers. Emotions Life. The saying goes that the eyes are the windows to your soul. Given that to be true then I submit that life's experiences are the lifeline to the heart. For every experience there is a new piece added to the heart. With each new experience comes an emotion. Many come with emotions. Many emotions are new many are somewhat the same yet independent of themselves. Each also carries varying degrees at which each emotion is felt each experience a piece of varying size of the heart. And it is the culmination of those experiences that make up our heart. Which emotions do we feel strongest? Which emotions seem to control us? Which emotions make us weak? We all experience differently create differently and envision differently. We all have varying degrees of emotions through our experiences and through our creativity and visions. This collection of experiences will take the reader into a past of memories triggering thoughts and maybe a smile or two. This collection may take the reader into a present thought process triggering experiences that readers may be encountering now. Finally this collection will take the reader deep into thought about their visions of the future. This is a feel good collection of poems that will set the reader at ease yet will delve into some deep emotions. Enjoy.
