## Soap Star:

**Women Singer-Songwriters in Rock** Ronald D. Lankford Jr.,2009-11-25 In Women Singer Songwriters in Rock A Populist Rebellion in the 1990s Ronald D Lankford Jr argues that women singer songwriters formed a substantial movement within popular music during the 1990s making a significant social and aesthetic contribution that pushed feminism into mainstream American culture Lankford examines in depth the work of several artists including Alanis Morissette PJ Harvey Liz Phair Courtney Love Tori Amos Sarah McLachlan and Sheryl Crow offering thorough descriptions and analyses of their music lyrics and album art By looking at both the broader movement and individual performers this book provides a comprehensive and accessible overview of the movement and its message Lankford introduces the singer songwriter movement and the artists and genres that paved the way for these 1990s rockers establishing the arch of the popular movement of women in rock as it mirrored the rise of third wave feminism and sketching the cultural and political landscape that served as a backdrop to the women s singer songwriter movement during the 1990s Drawing from resources in books journals and zines Lankford focuses on the exploration of women s issues within the music through analyses of its lyrics and album art and examines how the often hard edged feminist content was able to filter into mainstream popular culture To help illustrate this the book includes a select discography of albums and singles including their placement and number of weeks spent on various charts A complete bibliography and index round out this important study which is a must for fans and scholars of music popular culture and women s studies

**Dinner for Five** Joan De La Haye,2025-09-23 An exclusive dinner

invitation An unknown location in a derelict part of town A guest list of complete strangers What could possibly go wrong As a food critic I have to be brave and try new things I m no stranger to bizarre new eateries with their pop up restaurants and avant garde cuisines But this one is different There are no menus and the previous guests are sworn to secrecy My fellow diners are as mysterious as the host There s a lawyer an actress and an athlete The most disturbing of the guests is a serial killer who was recently acquitted As the night unfolds the guests are presented with their chosen drinks which are not what they seem and the food has a strange taste to it With the guests starting to disappear one by one I have to find out what s going on before it s my turn to become the main course Dinner for Five is a dark and twisted story about karma and an unexpected dinner party
