Social Casework A Problem Solving Process:

Social Casework Helen Harris Perlman, 1957-03-15 This is a basic book in social casework. Its thesis is that among all the complexities within the subject matter and operations of casework there are certain constant elements forces and processes which give coherence and unity to its practice. Mrs Perlman identifies and analyzes these constants and views them within the logical framework of problem solving. In turn problem solving as a casework process is examined in its likeness to normal human problem solving efforts. The result is an approach to learning and thinking about casework which is at once organized synthesized and imaginative. The book's usefulness is enhanced by the author's lucid and pointed style. **Social Casework** Helen Harris Perlman, 1956 **Social Casework**, 1957 **Social Casework** Helen Perlman Harris, 1960

Social Casework Perlman Helen Harris, 2011 **Social Work Treatment 4th Edition** Francis J. Turner, 1996-09-01

Modern Social Work Theory Malcolm Payne, 1990-12-07 An examination of social work in both theory and practice. The authors present several models relevant to different aspects of social work. **The Social Casework Method in Social Work Education** Werner William Boehm, 1959

Understanding Social Casework V. G. Mhetras, 1966 **Social Work Theory**

and Ethics Dorothee Hölscher, Richard Hugman, Donna McAuliffe, 2023-03-17 This reference work addresses the ideas that shape social work. Much of the social work literature addresses questions of theory and ethics separately so that the body of thought that is represented in social work scholarship and research creates a distinction between them. However the differences between these categories of thought can be somewhat arbitrary. This volume goes beyond this simple separation of categories. Although it recognises that questions of theory and ethics may be addressed distinctly the connections between them can be made evident and drawn out by analysing them alongside each other. Social work's use and development of theory can be understood in two complementary ways. First theory from the social sciences and other disciplines can be applied for social work second considered systematic examinations of practice have enabled theory to be developed out of social work. These different approaches are usually referred to as theory for practice and practice theory. The advancement of social work theory occurs often through the interplay between these two dimensions through research and scholarship in the field. Similarly social work ethics draw on principles and concepts that have their roots in philosophical inquiry and also involve applied analysis in the particular issues with which social workers engage and their practices in doing so. In this way social work contributes to wider debates through advancement of its own perspectives and knowledge gained through practice. **Social Work Theory and Ethics Ideas in Practice** offers a unique approach by bringing together the complementary dimensions of theory with each other and at the same time with ethical research and scholarship. It presents an analysis of the ideas of social work in a way that enables connections between them to be identified and explored. This reference is essential reading for social work practitioners, researchers, policy makers, academics and students as well as an invaluable resource for universities, research institutes, government ministries and departments, major non governmental organisations.

and professional associations of social work **Treatment In Crisis Situtions** Naomi Golan,1998-10 Treatment Approaches in the Human Services is a new series of books by distinguished social work practitioners and educators prepared under the general editorship of Francis J Turner Its objective is to present both the theoretical basis and the direct practice implications of the various thought systems upon which clinicians draw in their work and to make this rich accumulation of theory and methods accessible not only to social workers but to practitioners in other helping professions as well The books are also intended for the student professional the senior scholar and the teacher of professionals providing a bridging resource between practice and theory development Each volume in the series analyzes the conceptual base of a particular intervention strategy or set of therapeutic procedures identifies its theoretical origins compares it to other thought systems and explains and describes in concrete detail how it is applied in practice Further it identifies the areas of on going and needed research to make that approach an even more useful tool to the clinician **Social Casework** ,1988 *The Corsini Encyclopedia of Psychology and Behavioral Science, Volume 4* W. Edward Craighead,Charles B. Nemerooff,2002-11-11 A complete reference to the fields of psychology and behavioral science Volume 4 is the final volume in The Corsini Encyclopedia of Psychology and Behavioral Science series Providing psychologists teachers researchers and students with complete reference for over 1 200 topics across four volumes this resource is invaluable for both clinical and research settings Coverage includes conditions assessments scales diagnoses treatments and more including biographies on psychologists of note and psychological organizations from across the globe The Third Edition has been updated to reflect the growing impact of neuroscience and biomedical research providing a highly relevant reference for the highest standard of care **Casework Papers ... from the National Conference on Social Welfare** National Conference on Social Welfare. Annual Forum,1960 *Project Report of the Curriculum Study: Boehn, W.W. The social casework method in social work education* Council on Social Work Education,1959 **Social Work Practice** Louise C. Johnson,1986 **The Road to Social Work and Human Service Practice with Online Study Too Is 12 Months** Lesley Chenoweth,Donna McAuliffe,2017-09-11 This is a value pack comprising Chenoweth s The Road to Social Work and Human Service Practice 5e print book Search Me Social Work 2 term Instant Access The Road to Social Work and Human Service Practice provides a comprehensive introduction to all aspects of practice in the professions of social work and the human services It lays out the journey and expertly signposts the key areas of knowledge skills values ethics practice contexts and contemporary debates Client and practitioner perspectives offer reflections on real life social work and human services interventions while new case studies show how theory can be applied to practice Fully updated and revised this text is an invaluable tool for students as they start their careers in the social work and human services sector Search Me is an online research library customised to your subject that puts the information you need right at your fingertips Content is updated daily from hundreds of scholarly and popular journals eBooks and newspapers Plus 24 hour access means you won t be limited by library opening times
