Summer People:

Summer People Marge Piercy, 2016-04-12 For three Cape Cod residents the influx of summer visitors is no more than a minor nuisance until it brings a man who threatens the balance of their delicate relationship For more than a decade Dinah Susan and Susan's husband Willie artists and neighbors in a small Cape Cod town have enjoyed an unconventional but deeply satisfying three way relationship When the annual summer crowd flocks to the Cape Dinah misses her quiet afternoons composing music in the woods and Willie a sculptor puts aside his own work to do carpentry jobs on lavish vacation homes Susan though envies the glamorous lives of the summer residents And one visitor Tyrone Burdock a wealthy and seductive financier offers her an enticing glimpse into his world that may jolt the foundation of her marriage The clash between moneyed newcomers and the soulful artists who live on the Cape year round shakes the threesome's external world and the bonds holding them together as they see their bohemian enclave becoming a bourgeois retreat Bestselling author Marge Piercy skillfully navigates this unique landscape with vivid details and an eye for emotional complexity bringing these singular characters to life as their relationship undergoes profound changes that will resonate long after the summer people have left

Summer People Sally Blakely, 2026-07-07 One week No drama And absolutely no dating each other After graduating college five friends make a pact Every summer they'll meet for one week at the same beach house on the California coast to relive the golden days of college There's just one rule no dating within the group Simple enough except Everett and Sutton already broke the rule before summer even began and couldn't seem to stop What started as a one time fling turned into an annual habit neither of them could quit until the night everything fell apart Five years later Sutton has no interest in seeing Everett ever again Until one of their friends newly divorced and looking for an escape calls everyone back to the beach house She expects awkward silences and forced smiles but nothing could prepare her for Everett still infuriating still magnetic and still capable of unraveling her with a single glance As the week stretches on and every re-lived tradition shared meal and outing bring a flood of sun soaked memories that feed the spark between her and Everett Sutton begins to wonder if the promise that broke them apart was worth keeping in the first place and if breaking it again will ruin the delicate balance their friend group has finally started to reclaim
