The African-American Odyssey: Since 1865 Darlene Clark Hine, William C. Hine, Stanley Harrold, 2003 This book is the first comprehensive survey of the African American experience. It draws on recent research to present black history in a clear and direct manner within a broad social, cultural, and political framework. White supremacy, the Great Depression, the building of black community institutions, the equal rights movement, and African American military service. For anyone who is interested in an in-depth exploration of African American history as it relates to U.S. history. *African-American Odyssey* Albert S. Broussard, 1998 This book illuminates the professional career and private lives of J. McCants Stewart, a Reconstruction era lawyer, minister, politician, and political activist, and his descendants over three generations, providing an epic account of an African American family in America. Adapted from book jacket.

Stardom Christine Gledhill, 1991 In the past stars have been studied as cogs in a mass entertainment industry selling desires and ideologies. But since the 1970s new approaches have reopened debate as film and cultural studies try to account for the active role of the star in producing meanings, pleasures, and identities for a diversity of audiences. Stardom brings together for the first time some of the major writing of the last decade which seeks to understand the phenomenon of stars and stardom. Gathered under four headings The System, Stars and Society, Performers and Signs, Desire and Politics, these essays represent a range of approaches drawn from film history, sociology, textual analysis, audience research, psychoanalysis,

and cultural politics They raise important issues about the politics of representation and the cultural limitations and possibilities of stars **American Odyssey; Reading Essentials and Study Guide, Workbook** McGraw Hill,2003-06-26
