**29 Palms: An American Odyssey for True Love** Ahnzerah Hawke, 2021-06-28 Hawke has always searched for the meaning behind everything. Forever he has sat at the crossroads not knowing which way to turn until the day came when he decided to hop behind the wheel, take a chance, and choose a course. This book is the telling of that story. In *29 Palms: An American Odyssey for True Love*, Hawke recounts the experiences he had on a trek across the country that turned out to be a journey of a lifetime. It all takes place in the summer of 2020 during the Covid 19 pandemic when America was literally on fire during one of the greatest upheavals in our nation's recent history. This particular odyssey describes a personal pilgrimage of finding one's self and discovering what love truly is. **North American Odyssey** Amy and Dave Freeman, 2024-10-01 Deep down there is just something that draws us to the land to wild places. We were there to listen to the land. When National Geographic Adventurers of the Year Amy and Dave Freeman marry, they set out on an unusual honeymoon: a three-year, 12,000-mile journey across North America. From Alaska's Inside Passage to Florida's Key West, they traverse the continent by kayak, canoe, dogsled, and skis, encountering wildlife, sublime landscapes, and harrowing challenges. Along the way, the Freemans also bear witness to environmental degradation and climate change, from plastic-covered beaches to forest fires to retreating glaciers. And as they engage with Native and rural communities most impacted by the changes resulting from modern industrial society, they meet individuals and organizations dedicated to protecting the natural world. Their adventure deepens in ways they never imagined. From the white-knuckle rush of paddling white water to the wonderment of dogsledding across a frosted landscape where caribou and wolves roam, *North American Odyssey* is a celebration of our interconnectedness to the natural world and to each other. Beautifully written, engagingly told, and inspiring throughout, Amy and Dave Freeman's story is a clarion call for change in the way we live.
