Managerial Accounting Jerry J. Weygandt, Paul D. Kimmel, Ibrahim M. Aly, 2020-11-16 Discover a concise yet comprehensive overview of the foundations of management accounting in Canada from three leading voices in their field. The newly revised Sixth Canadian Edition of Managerial Accounting Tools for Business Decision Making delivers a thoroughly revised exploration of the foundations and fundamentals of management accounting in a uniquely Canadian context. Along with this series hallmark features including DO IT Exercises, chapter review and practice sections, educational infographics, real world Business Insight sections, Decision Tools and a suite of Digital Tools, this new edition includes a fresh treatment of data analytics in the real world. The book analyzes the impact of data analytics on decision making and shows readers how to put data analytics into practice in real world situations. Each chapter also contains brand new changes like new highlighted applications of standard costing and new case studies. Online solution walkthrough videos, interactive tutorials, adaptive practice exercises and comprehensive Excel based homework material round out the book's fulsome and educational package. Readers will also benefit from the inclusion of: A thorough introduction to cost concepts for decision makers including job order cost accounting, process cost accounting and activity based costing. An exploration of decision making concepts including incremental analysis and alternative inventory costing methods. Discussions of planning and control concepts including budgetary planning, budgetary control and responsibility accounting and standard costs and the Balanced Scorecard. A suite of digital tools including real world company videos. Perfect for undergraduate students about to begin an accounting program, Managerial Accounting Tools for Business Decision Making will also earn a place in the libraries of undergraduate business and MBA students seeking a one stop reference to the basic principles of management accounting.
