

Ohio S Black Soldiers Who Served In The Civil War

James Grant Wilson, John Fiske

Ohio's Black Soldiers Who Served In The Civil War:

Ohio's Black Soldiers who Served in the Civil War Eric Eugene Johnson, 2014 Ohio's Black soldiers have always been in the forefront of this nation's wars and the American Civil War is no exception. The state raised two infantry regiments for the United States Colored Troops during this war and then sent recruits to other regiments organizing in the South. Over 6 700 Black Ohioans served in this war and the names of many of these men have been lost until now. The Official Roster of the Soldiers of the State of Ohio in the War of the Rebellion 1861-1866 has the rosters for the two Black regiments and additionally the names of 1 007 more men who were listed as being unassigned to a regiment for a total of 5 092 men. This roster simply states no further record found for these men. The author has researched each man using the Compiled Military Service Records of Colored Troops and he has been able to identify the regiments in which these other men were assigned. In the process he was also able to identify over 1 600 more Black Ohioans who are not listed in the Official Roster of the Soldiers of the State of Ohio in the War of the Rebellion 1861-1866. Besides listing the name of each soldier and his regiment, this book also lists the company, rank, age, birth place, enlistment and discharge information and death and burial information if it occurred during the war. The author was also able to identify a number of Blacks who served with Ohio's white volunteers both as combatants and non combatants.

American Civil War Spencer C. Tucker, 2013-09-30 This expansive multivolume reference work provides a broad multidisciplinary examination of the Civil War period ranging from pre-Civil War developments and catalysts such as the Mexican American War to the rebuilding of the war-torn nation during Reconstruction. The Civil War was undoubtedly the most important and seminal event in 19th century American history. Students who understand the Civil War have a better grasp of the central dilemmas in the American historical narrative: states rights versus federalism, freedom versus slavery, the role of the military establishment, the extent of presidential powers and individual rights versus collective rights. Many of these dilemmas continue to shape modern society and politics. This comprehensive work facilitates both detailed reading and quick referencing for readers from the high school level to senior scholars in the field. The exhaustive coverage of this encyclopedia includes all significant battles and skirmishes, important figures, both civilian and military, weapons, government relations with Native Americans and a plethora of social, political, cultural, military and economic developments. The entries also address the many events that led to the conflict: the international diplomacy of the war, the rise of the Republican Party and the growing crisis and stalemate in American politics, slavery and its impact on the nation as a whole, the secession crisis, the emergence of the total war concept and the complex challenges of the aftermath of the conflict.

An Army for Empire Graham A. Cosmas, 1998 In America's popular memory of the Spanish American War, the all-volunteer Rough Riders won the war in spite of ossified civilian and regular army leadership. In this authoritative account, however, military historian Graham A. Cosmas reconstructs the planning and execution of Spanish American War strategy from the perspective of those with the ultimate responsibility: the president, the

secretary of war the commanding general of the army and the chief and commanders of the army's various bureaus and corps Cosmas argues that the traditional view of the war is from the bottom up because while headlines were being made about inadequate supplies disease and outdated weapons at ground level the civilian and military figures at the highest ranks remained virtually silent about how and why they made their decisions This volume based on intensive research in documentary materials including the personal papers of President William McKinley and Secretary of War Russell A Alger as well as the voluminous files of Adjutant General Henry Clark Corbin and the quartermaster general's offices shows the day to day progress of the war as the highest ranking officials saw it digested it and based subsequent decisions on it Faced with budgetary pressure from Congress political pressure from the states National Guard units and the president's shifting stand on objectives for the war the army was indeed ill prepared for its sudden mobilization Cosmas concludes that the army's leadership was forced into a difficult new position in 1898 one in which its own new ideas of management and organization coupled with the broad new scope of national political military objectives failed to address the actual circumstances of the war After the initial wartime blunders however the army solved enough of its problems to make the campaigns in Puerto Rico and the Philippines run more smoothly though with less news value As Cosmas shows the Spanish American War was a foretaste of the new century prompting the formation of a modern staff and command system that would profoundly alter world history This paperback edition of *An Army for Empire* incorporates the author's 1994 preface additional illustrations and expanded discussion of African American soldiers the land engagements at San Juan Hill and El Caney and the period between the August 1898 armistice and Secretary Alger's departure a year later

[The Leary-Evans, Ohio's Free People of Color](#) Robert Ewell Greene,1979 **Army History** ,1999 **The Encyclopedia of Cleveland History** David Dirck Van Tassel,1996

Clevelanders are rediscovering the richness of their history and the encyclopedia project has played a vital role in this process Northwest Ohio Quarterly These two volumes clearly establish a standard for encyclopedias devoted to city history and biography Choice Both volumes are interesting to read and are useful reference tools American Reference Books Annual The first edition of this remarkable encyclopedia was published in 1987 to enthusiastic reviews Out of print for several years the Encyclopedia is now being reissued in an expanded two volume format to commemorate the bicentennial of Cleveland's founding Volume One The Encyclopedia of Cleveland History contains more than 2000 entries 150 photographs maps and charts Volume Two the Dictionary of Cleveland Biography with over 1600 entries is the first major biographical guide to Cleveland published since the 1920s

The American Midwest Andrew R. L. Cayton,Richard Sisson,Chris Zacher,2006-11-08 This first ever encyclopedia of the Midwest seeks to embrace this large and diverse area to give it voice and help define its distinctive character Organized by topic it encourages readers to reflect upon the region as a whole Each section moves from the general to the specific covering broad themes in longer introductory essays filling in the details in the shorter entries that follow There are portraits of each of the region's twelve states followed by entries on society and culture

community and social life economy and technology and public life The book offers a wealth of information about the region s surprising ethnic diversity a vast array of foods languages styles religions and customs plus well informed essays on the region s history culture and values and conflicts A site of ideas and innovations reforms and revivals and social and physical extremes the Midwest emerges as a place of great complexity signal importance and continual fascination **"Those who Labor for My Happiness"** Lucia C. Stanton,2012 Our perception of life at Monticello has changed dramatically over the past quarter century The image of an estate presided over by a benevolent Thomas Jefferson has given way to a more complex view of Monticello as a working plantation the success of which was made possible by the work of slaves At the center of this transition has been the work of Lucia Cinder Stanton recognized as the leading interpreter of Jefferson s life as a planter and master and of the lives of his slaves and their descendants This volume represents the first attempt to pull together Stanton s most important writings on slavery at Monticello and beyond Stanton s pioneering work deepened our understanding of Jefferson without demonizing him But perhaps even more important is the light her writings have shed on the lives of the slaves at Monticello Her detailed reconstruction for modern readers of slaves lives vividly reveals their active roles in the creation of Monticello and a dynamic community previously unimagined The essays collected here address a rich variety of topics from family histories including the Hemingeses to the temporary slave community at Jefferson s White House to stories of former slaves lives after Monticello Each piece is characterized by Stanton s deep knowledge of her subject and by her determination to do justice to both Jefferson and his slaves Published in association with the Thomas Jefferson Foundation Black Resistance Movements in the United States and Africa, 1800-1993 Felton O'Neal Best,1995 This collection of new interdisciplinary studies focuses on black resistance patterns in literature humor art cinema history and science from the antebellum South to contemporary Brooklyn to anti colonialist movements on the African continent Adapted from publisher s description **The National Cyclopedia of American Biography, Being the History of the United States as Illustrated in the Lives of the Founders, Builders, and Defenders of the Republic, and of the Men and Women who are Doing the Work and Moulding the Thought of the Present Time** ,1893 The National Cyclopaedia of American Biography ,1893 **Appleton's Cyclopædia of American Biography: Aaron-Crandall** James Grant Wilson,John Fiske,1888 *Appletons' cyclopædia of American biography, ed. by J.G. Wilson and J. Fiske* Appleton D. and co,1889 The African American National Biography: Hacker-Jones, Sarah Henry Louis Gates (Jr.),Evelyn Brooks Higginbotham,2008 An 8 volume reference set containing over 4 000 entries written by distinguished scholars The African American National Biography is the most significant and expansive compilation of black lives in print today **Appleton's Cyclopaedia of American Biography** ,1889 **Who's who in America** John William Leonard,Albert Nelson Marquis,1899 Vols 28 30 accompanied by separately published parts with title Indices and necrology **Appleton's Cyclopaedia of American Biography** James Grant Wilson,John Fiske,1888 *Appletons' Cyclopaedia of American Biography* James Grant
