

The Language of Symbols

How the Soul Speaks in Dreams

by Faith Spina

A woman with long dark hair is shown from the chest up, holding a sleeping child. The woman's eyes are closed and she has a gentle smile. The child is also sleeping, with their head resting against the woman. The background is a dark blue night sky with a crescent moon and several stars. The overall mood is peaceful and dreamlike.

Dreams are the living language of the soul, spoken in images, feelings, and symbols. When you honor your dreams, you honor your soul.
