## **Stand Up And Be Men:**

Standup Guy Michael Segell, 2010-10-06 Three decades after American women changed their strategy in the battle of the sexes how do men really feel About themselves About feminism Is it still possible for men to be heroes Aggressive pursuers of status and dominance their traditional goals In this candid dispatch from the front lines of the gender war journalist Michael Segell delivers some provocative answers As a columnist for Esquire and an editor at Cosmopolitan Segell began to document a serious disconnect between American men and women a seemingly unbridgeable divide between what men and women say in public about sexual roles and their very real private thoughts and desires Women today expect that they will be fulfilled both professionally and personally But often Segell found men are secretly too angry and resentful to woo or stay married to women they view as competitors The result for men a passive aggressive approach to women a historic aversion to intimacy the euphemistic lack of commitment and a rapidly declining marriage rate Even astonishingly a new mode of payback sexual withholding After interviewing disaffected combatants married and single on both sides of the ideological divide and tracing the causes of men's pain and confusion Segell embarked upon a search for the kind of man who can end this sexual stalemate a man who doesn't retreat from successful women Over time a portrait resolved Both a lover and a fighter he's tough and competitive yet loving and compassionate stoic yet emotionally sophisticated skilled in the bedroom and the boardroom In short a standup guy Deep in an all male universe at men's retreats and in locker rooms Segell limns the evolution of a new masculinity a model that reaffirms traditional male virtues the durability of manly friendship the immutability of the ancient laws of sexual attraction the delights of marriage and children and the importance of the bond however challenging and strained between fathers and sons Along the way he turns his focus upon himself offering moving accounts of the events and relations that have shaped his own vision of what it means to be a man Finally through keen analysis of sexual manners and rhetoric Segell offers a blueprint for both sexes for a détente in the thirty year gender war Intelligent direct and deeply felt drawing upon comprehensive research and personal history Standup Guy will enlighten and inform men and women alike This is a book about men Big Men and rubbish men athletes and aesthetes philanthropists and presidential philanderers babes and bullies warriors and wimps ladies men and louts and surfers censorious censors and CEOs It's a book about male obsessions or as my wife puts it sports and sex But it's also about the durability of manly friendship the pure tough heart of little boys the virtues of dominance and aggression the utility of emotional constraint the willfulness of the penis the calming delights of marriage and the challenging often dangerous bond between father and son It's a book about the immutable laws of sexual attraction and the persuasive power of a slow hand It's about the dawning of personal insight catharsis and change from the Introduction **Shakspere's Werke** Shakespeare, 1876 **Talks with men, women and children** David Davies, 1892 **Jerry McAuley** Robert M.
