## **The Adulteress:**

**The Adulteress** Noelle Harrison, 2010-04-02 Nicholas is running away both from his marriage and an unfaithful wife and the comfortable life he has known in Dublin. He buys a run down house in rural Cavan right in the heart of Ireland and embarks on a huge renovation project. While he is there the house seems to speak to him; there are voices coming from an untraceable source; the seductive smell of baking seeps through the walls and there is the unmistakable ethereal presence of a woman from the past. She is June Fanning, an English woman who lived in the house in 1941. As her narrative combines with Nicholas's the story of *The Adulteress* is revealed and Nicholas begins to discover exactly what went wrong with his own marriage. *The Adulteress on the Spanish Stage* Tracie Amend, 2015-04-21

As early as 1760 and as late as 1920 Romantic drama dominated Peninsular Spanish theater. This love affair with Romanticism influenced the formation of Spain's modern national identity which depended heavily on defining women's place in 19th century society. Women who defied traditional gender roles became a source of anxiety in society and on stage. The adulteress embodied the fear of rebellious women, the growing pains of modernity and the political instability of war and invasion. This book examines the conflicted portrayal of women and the Spanish national identity. Studying the adulteress on stage, the author provides insight into the uneasy tension between progress and tradition in 19th century Spain. **The Liberation of the Adulteress Woman in John 8:1-11. An Interpretation** Kaitlyn Vermeeren, 2016-07-20

Essay from the year 2016 in the subject Theology Biblical Theology grade 90 King's College London language English abstract This essay analyses the stoning of the woman in John 8:1-11 and Jesus coming to her aid. When looking at the book of John in the Gospels we are able to see Jesus as a person prompting decision from the people. Brodre, a biblical commentator, writes on how John sows Jesus as a God man on earth. His Gospel is simple and straightforward. For the most part Brodre puts to terms understanding this Gospel properly. However, when focusing on some stories there are more complicated interpretations of Jesus' teachings, creating assumptions that these pieces were added to the writing later after the original writer's death. The scripture of the woman caught in adultery is an example of a writing commonly interpreted to be brought in later but very significant. When specifically zooming in on the passage of John 8:1-11 we see of Jesus being presented with a difficult situation. The leaders bring before him a woman who was caught in adultery. Through studying this section we will look closer at the first part of John 8 and how Jesus attempts at bringing women to a higher if not equal status with men. He does this through bringing to light the fact that all people are equal in the eyes of God for all are guilty with sin and are capable of receiving redemption. *The Adulteress* Leslie Margolin, 2006

Based on the real 1922 Thompson Bywaters murder THE ADULTERESS is an insightful character study that looks closely at the relationships between three people that lead to murder. The story line mostly follows Alma as the audience understands her needs but to a degree Leslie Margolin also enables readers to comprehend the motives of Rats and Percy. **The Adulteress.
