Abera,2012-07 The book is about the Alpha and Omega God It is my testimony in regard to the existence and the will of the Deity creator for the entire creation activities I started to write about this supernatural and omnipotent God from the beginning which is unknown time I then proceeded in writing all the way to the time of eternity In the book I have talked and tried to prove the creatorship and rulership situation or condition of the Trinity God I have done this to make peoples of this world believe in existence of the almighty and the ubiquitous God who caused every thing seen and unseen to emerge and exist as they are found now      **Cumulative List of Organizations Described in Section 170 (c) of the Internal**

clearer picture of what Christ's life was like here on earth. This book includes all of his teachings, miracles, and trials to the bitter end on the cross, his resurrection, showing himself to his disciples, including his final teachings to them before his ascension to heaven, sitting at the right hand of God. Never before has the Gospel of Christ been explained like this by overcoming any contradictions and filling in the holes that reading only one Gospel at a time will give you. This is the Harmony of the Gospels at its best. This book teaches the life of Christ the way he personally taught it by using an approach following a timeline of Christ's life. For the first time, people have a clear and easy-to-read approach to the Gospel. There are no study aids needed; everything is prepared for you. All you have to do is just open The Alpha and Omega Code and read it. I hope that this book will be the most complete and accessible account of the works of Christ on the market today. I do not add any of my personal ideas or religious beliefs to any of this book. The Alpha & Omega Bible I Saw the Light

Ministries, 2016-12-06. The original scriptures have been repeatedly translated for thousands of years. But along the way, mankind has added to and taken away from it as was warned in the last verses of Revelation. The Alpha Omega Bible restores much of the original writings. For example, during the Assyrian/Babylonian captivities, The Creator's Name was removed from Scripture. It is documented fact that The LORD in the Old Testament replaced the Name of GOD. The Alpha Omega Bible restores The Creator's Name to the Holy Scriptures. This study bible also does not follow suite of the traditional Assyrian/Babylonian doctrines of mankind. Political/religious correction gets thrown overboard in preference for the unfiltered, uncompromised truth. This Old Testament volume includes the words of The Creator in bold in Genesis, Exodus, Micah, Amos, and some other select places. This is a translation of the Greek Septuagint LXX, which is the bible that Jesus and the apostles grew up with. This bible is a MUST have for every person in pursuit of the absolute truth of the original scriptures. The New Testament Apocrypha is available in other volumes. Specifications of Print Edition of this volume: 8.5 x 11, 484 Pages, Scripture font 7.5 UPPERCASE, Study notes font 8 lowercase italics, Verse by verse line style, Black print on thick white pages, Perfect Bound, Paperback, Study Bible, Language English Only. **The Alpha and Omega Bible** I.
