**Rekindle the Altar Fire** Chuck D. Pierce,Alemu Beeftu,2020-12-01 Few believers experience God s altar a place of pure and wholehearted relationship and worship where our holy God can meet with us and the fire of his presence can fall But such an altar is necessary in our personal lives our marriages our churches and our nations so that we are strengthened empowered and equipped for every good work In this influential modern day call back to the altar Chuck D Pierce and Alemu Beeftu invite readers to find their way to rebuild the place of God s presence to allow the fire of God his presence and power to fall When we rekindle the altar fire our lives prayer and worship are transformed The time to rebuild altars for fresh fire is now

[The Altar Fire](#) Arthur Christopher Benson,2023-01-08 Reproduction of the original    [Christ and the Altar Fire](#) David L. Augustine,2021 The topic of this dissertation is the center and culmination of the systematic theology of the German Catholic dogmatic theologian Matthias Joseph Scheeben 1835 88 the deification of the human being through sacrifice I argue that Scheeben is able to conceive of sacrifice as the ultimately perfective process of human deification due to his use of the Old Testament OT type of the God given altar fire as a type for grace charity and glory in the New Testament NT A corollary of this idea is that the non rational sacrificial victims of the OT plants and animals were stand ins for the human offerer It is the human being that therefore needs the NT counterpart to the sacrificial treatment the substitute victims received in the OT rites of sacrifice Offered up in sacrifice through the divine grace fire Scheeben holds that the human being is called to rise up to God in a transfigured form that is the NT equivalent to the odor of sweetness that resulted from the ritual burning of a sacrificial victim in the OT As sacrifice is about the deification of the human being this work focuses extensively on Scheeben s understanding of Jesus Christ s status as primordial priest and archetypal sacrificial victim a status that arises from his deification par excellence through the hypostatic union Scheeben grounds Christ s unique priesthood 1 in the grace of union and 2 in his attendant accidental graces In Christ s actual redemptive deed Scheeben applies the altar fire typology twice

over to 1 Christ's charity in his Passion and 2 to his bodily glorification in the resurrection Scheeben's dual use of the altar fire typology is what allows him to give a coherent account of the unity of Christ's Paschal mystery in accomplishing redemption since it 1 preserves the properly atoning meriting modality of the Passion while 2 accounting for the sacrificial character of the resurrection and the latter's role in effecting human justification Overall this work demonstrates how Scheeben's sacrificial theology utilizes the grammar of the OT sacrificial rites to give a lucid account of the Christological mediation of grace to humans

**Annotated Mishnah** Shaye J. D. Cohen, Robert Goldenberg, Hayim Lapin, 2022-06-30 The Mishnah is the foundational document of rabbinic law and one could say of rabbinic Judaism itself. It is overwhelmingly technical and focused on matters of practice custom and law. The Oxford Annotated Mishnah is the first annotated translation of this work making the text accessible to all. With explanations of all technical terms and expressions The Oxford Annotated Mishnah brings together an expert group of translators and annotators to assemble a version of the Mishnah that requires no specialist knowledge.
