The Acrostic Bible:

The Acrostic Summarized Bible Barry Huddleston, 2019-08-27 Need an easy to remember outline for the book of Ephesians Just remember that Ephesians is about the C H U R C H Calling of the church Heavenly position for individuals Understanding of the mystery Reasons for spiritual gifts Help in spiritual warfare The Acrostic Summarized Bible makes Bible learning that easy A four word phrase summarizes each chapter of every book in the Bible The first letter of the phrase forms the descriptive acrostic for each book For Jonah remember FISH for Mark CHRIST THE SERVANT **The Acrostic Bible** Barry Huddleston, 1990 *The IVP Bible Background Commentary: Old Testament* John H. Walton, Victor H. Matthews, Mark W. Chavalas, 2000-11-08 This unique commentary provides historical social and cultural background for each passage of the Old Testament From Genesis through Malachi this single volume gathers and condenses an abundance of specialized knowledge and includes a glossary maps and charts and expanded explanations of significant background issues

Mercer Dictionary of the Bible Watson E. Mills, Roger Aubrey Bullard, 1990 Jesus Christ in History and Scripture highlights two related bases for the current revolution in Jesus studies 1 a critically chastened world view that is satisfied with provisional results and 2 a creative or poetic use of the sources of study of Jesus **The Teacher's assistant and Bible class magazine**, 1882 **The Acrostic of God** Jonathan Gibson, Timothy Brindle, 2021-09-13 Catechism can be fun The Acrostic of God is a joy to read and reread and a wonderful tool to help kids absorb eternal truth about God By giving children an alphabetical list of the titles and attributes of God written with a rhyming beat Jonathan Gibson and Timothy Brindle make The Acrostic of God fun to read and easy to memorize **Mysteries of the Bible** Glenn Ahrens, 2022-07-06 There are so many stories and rumors about the Bible that it really frustrates me From the lost books of the Bible to interpretations that are not even close to the real thing As Christians we profess to believe in one God and one Bible The million dollar question is how do we get well over nine thousand different religions that all claim to believe in the same thing After fifteen years of research and scholastic training I wrote this book with the purpose of getting out the truth about the Bible going back to the original Greek and Hebrew and eyewitness accounts from people that lived in the time of Jesus I categorically prove step by step how despite the diverse sources and writers of the Bible all the books of the Bible belong where they are and are divinely inspired or divinely written Also that every book chapter and verse belongs exactly where it is and fits together like a puzzle There is an intricate web of mysteries that tie it all together I thoroughly explain seven of these mysteries and how they hold the Bible together It is time that the truth be known about the Bible and have the stories and rumors put to rest for once and for all I spent over fifteen years of my life dedicated to that This book is based solely on fact and history with no interpretations added unless I say it s my opinion **The Companion Bible** E. W. Bullinger, 1999-08 Notes and appendices by E W Bullinger A classic one volume study Bible in the King James Version Helps include 198 appendices including explanations of Hebrew words and their uses charts parallel passages maps lists of proper
