The African Prayer:

An African Prayer Book Desmond Tutu, 2009-03-25 The great Archbishop of Capetown South Africa shares with us the simple but profound secrets of his extraordinary spiritual strength by unveiling his very own book of prayer Prayer our conversation with God needs no set formulas or flowery phrases It often needs no words at all But for most believers the words of others can be a wonderful aid to devotion especially when these words come front faithful fellow pilgrims The African Prayer Book is just such an aid for in this collection all the spiritual riches of the vast and varied continent of Africa are bravely set forth Here we may delight in Solomon s splendid encounter with the Queen of Sheba overhear the simple prayer of a penniless Bushman and glory in the sensuous sonorities of the mysterious liturgies of the Egyptian Copts Here are Jesus own encounters with Africa which provided him refuge at the beginning of his life from the murderous King Herod and aid at its end in the person of Simon of Cyrene who helped Jesus carry his cross Here are the prayers of some of the greatest among the mothers and fathers of the Church Monica Augustine Clement of Alexandria Cyprian of Carthag as well as the prayers from the African diasporas of North America and the Caribbean From thunderous multi invocation litanies to quiet meditations here are prayers that every heart can speak with strength and confidence Archbishop Desmond Tutu who is for millions the very soul of Africa is our guide on this unique spiritual journey His introduction is destined to become a classic his characteristic energy and optimism light our way and the words of his favorite prayers many composed by the Archbishop himself will stay with us forever Prayer in the Religious Traditions of Africa Aylward Shorter, 1975

African Prayer Book 6 Counter Copy Pack Rel Desmond Tutu, 1995-05-18 **Africa's Social and Religious Quest** Randee Ijatuyi-Morphé, 2014-01-30 This well crafted book probes the key dimensions of Africa s existential predicament It constitutes an intellectual response to a gnawing African situation the starting point for grasping Africa s social and religious quest Beyond split explanations of external versus internal factors e g colonization slavery vs leadership cultural values this study accounts more comprehensively for emergent issues shaping this situation The situation reflects a gamut of problems in traditional African religion and material culture which hitherto defines African communality politics and destinies vis vis the cosmos and nature Thus African religion and communities each with its own attendant values do not operate by critical engagement with larger issues of society and civilization especially those shaped by the advent of post modernity Rather they

operate via adaptation The communal drive for natural and social harmony inevitably produces a preservationist view of culture leaving things as they are This study takes an integrative approach to religion society and civilization eschews dichotomies and broadly defines and re signifies life and wholeness as a true end of Africans quest today *The Prayers of African Religion* John S.
