## **The Alabaster Egg:**

The Alabaster Egg Gillian Freeman, 1970      **Stone Eggs** Helen Rundgren, 2011 Stone eggs is an adventure where Sankar and Sandhya stumble on a dinosaur site in their grandma's village The book also includes facts on the existence of dinosaurs in India millions of years ago      Qianyuan Sword Xuan YuanShouHu, 2019-10-31 An unknown sword with an unknown cultivation technique had achieved a breakthrough to the next realm It was a useless weapon that could not be cultivated He had unraveled the secrets of each continent and walked towards the Endless Planes What kind of innate mission did he have And how was he going to walk to the pinnacle step by step      A Lousy Start Jacobaris, 2010-11 Prior to the stock market crash in 1929 Holland was a prosperous country where its people enjoyed secure futures or so they thought After the world's economic collapse millions were forced into a poverty stricken existence where every day was a struggle to survive A Lousy Start shares one family's vivid impressions of living in Holland during the Great Depression and the lasting impact those experiences had on their lives At the beginning of the twentieth century Arie Demerwe worked hard and was paid very little but still managed to put food on his table Sent to fight in the war of 1918 Arie finally returned to his hometown where he began working again only to see everything change again after the end of World War I As the people of Holland enjoyed wealth they assumed would last forever dark changes loomed ahead When the sun rose on October 23 1929 no one had a clue that tragedy would strike by day's end For the next ten years a hostile world would transform even the most religious people into thieves and liars As one family fought to stay alive in a bleak existence each of them learned valuable life lessons they would carry with them forever      **The Story of Stone** Jing Wang, 1992 In this pathbreaking study of three of the most familiar texts in the Chinese tradition all concerning stones endowed with magical properties Jing Wang develops a monumental reconstruction of ancient Chinese stone lore Wang's thorough and systematic comparison of these classic works illuminates the various tellings of the stone story and provides new insight into major topics in traditional Chinese literature Bringing together Chinese myth religion folklore art and literature this book is the first in any language to amass the sources of stone myth and stone lore in Chinese culture Uniting classical Chinese studies with contemporary Western theoretical concerns Wang examines these stone narratives by analyzing intertextuality within Chinese traditions She offers revelatory interpretations to long standing critical issues such as the paradoxical character of the monkey in The Journey to the West the circularity of narrative logic in The Dream of the Red Chamber and the structural necessity of the stone tablet in Water Margin By both challenging and incorporating traditional sinological scholarship Wang's The Story of Stone reveals the ideological ramifications of these three literary works on Chinese cultural history and makes the past relevant to contemporary intellectual discourse Specialists in Chinese literature and culture comparative literature literary theory and religious studies will find much of interest in this outstanding work which is sure to become a standard reference on the subject      **Disconnection Panic After Consciousness Upload** Jessie Maggard, 2019-03-08 He is like a towering
