Girl in a Sloppy Joe Sweater Mary Peate,1989 **Dress Casual** Deirdre Clemente,2014 Dress Casual How College Students Redefined American Style The Strange History of Suzanne LaFleshe and Other Stories of Women and Fatness Susan Koppelman,2003 Spanning a century from Kate Chopin and Fannie Hurst to J California Cooper and Elana Dykewomon this bold and deeply satisfying anthology of women s stories explores women s relationships to and perceptions of their physical selves Addressing the peculiarities the pleasures and the shames of body politics these stories of bodies that refuse to be contained offer a variety of perspectives on fully inhabiting the flesh Whether celebrating bodies deemed transgressive or simply daring to acknowledge that such bodies exist these diverse literary representations of fatness render the excessive body brilliantly unapologetically visible Book jacket *The Scramble for the Teenage Dollar* Katharine Rollwagen,2025-05-15 Co ed junior miss grad teenster From the late 1930s to the 1950s the teenager emerged as a distinct and ideal market segment The Scramble for the Teenage Dollar explores how consumption became an integral part of being a teenager This nascent consumer always a white middle class heterosexual high school student had purchasing power that demanded recognition At least that was the image fashioned by Canadian advertisers and retailers and especially the biggest department store of the time Eaton s Katharine Rollwagen dives into consumer magazines Eaton s archives and mail order catalogues to discover how the commercialized Canadian teenager was created Packed with insights about how retailers and advertisers attempted to shape the look bodies and behaviour of young Canadians this is an intriguing look at the power of corporate actors to influence popular understandings of growing up It also reveals the roots of the hyper consumerism common among young people today **College Girls** Lynn Peril,2013-12-16 The author of Pink Think takes on a twentieth century icon the college girl A geek who wears glasses Or a sex kitten in a teddy This is the dual vision of the college girl the unique American archetype born when the age old conflict over educating women was finally laid to rest College was a place where women found self esteem and yet images in popular culture reflected a lingering distrust of the educated woman Thus such lofty cultural expressions as Sex Kittens Go to College 1960 and a raft of naughty pictorials in men s magazines As in Pink Think Lynn Peril combines women s history and popular culture peppered with delightful examples of femoribilia from the turn of the twentieth century through the 1970s in an intelligent and witty study of the college girl the first woman to take that socially controversial step toward educational equity **The Alpha Xi Delta** ,1951 **Infants and Children's Wear Review** ,1943 **Clothes for You** Mildred Graves Ryan,Velma Phillips,1954 **Girls' and Teens' Merchandiser** ,1947 Vol 1 no 2 v 6 no 5 Mar 1946 Jan 1949 include monthly Merchandiser newsletter no 2 33 American Magazine ,1953 **American Illustrated Magazine** ,1953 **Earnshaw's Infants', Children's & Girls's Wear** ,1961 **Specialty Worker** ,1967 **The New People** Charles Winick ,1968 **The Maiden Form Mirror** Maiden Form Brassiere Co,1938 Boot and Shoe Recorder ,1955 *Sexual Power* Carolyn Johnston,1992 Offers an opportunity to view the history of

feminism and the family from a fresh perspective Since the early 1970s scholars have argued defined and refined a wide range of interpretations of American women s lives Despite the richness of the recent literature few interpretations sufficiently credit women s family and sexual experiences for the emergence of feminism and the construction of pro family agendas Thus Johnston s approach offers an opportunity to view the history of feminism and the family from a fresh perspective Much of the literature on feminism has focused on women s oppression and victimization rather than on the power that women historically have exerted Johnston s interpretation of American feminism differs from previous works because she argues that the gradual growth of feminist consciousness lies not simply in oppression or feelings of victimization but paradoxically in a growing sense of the empowerment of women as wives and mothers She traces how reproduction sexuality domesticity and motherhood have been socially constructed and examines how feminists and anti feminists have fought on the terrain of family issues Johnston explores critical questions concerning American women s sexual lives How have women s empowering experiences in the family shaped feminist consciousness and action How have feminists confronted family issues How have women exerted sexual power How was it contained within the limits of patriarchal society at times while at other times it fueled the fires of feminist rebellion How have gender and class issues affected domestic politics and feminism   *Consumer Education Service* ,1945   *Rhonda the Rubber Woman* Norma Peterson,1998 The story of a girl born out of wedlock in a small town in the 1940s She has to listen to people call her mother a slut and at school her classmates make fun of her But she survives   **Annals of the American Academy of Political and Social Science** ,1961-11
