Take Your

Company Global Nataly Kelly, 2008-01-01 If you're on the internet you're already global Now get access to an innovative data driven model for profitably expanding the international presence you already have Companies looking to expand used to think about entering international markets but today you're global from the moment you create a website Nataly Kelly Chief Growth Officer at Rebrandly a global tech company with customers in more than 100 countries and former VP International Ops and Strategy at HubSpot says now the goal should be market intensification building on the presence you already have Kelly's MARACA model enables companies to distill the mass amounts of data available to determine if how and where they should expand by looking at three key areas of measurement MA market availability the size of the market opportunity within a given country RA real time analytics data indicating how your company is currently performing in that market CA customer addressability the measure of your company's ability to address the market no matter its size The book is based on Kelly's experiences with building a global business both at HubSpot and as a consultant but also contains numerous examples from successful global companies of various sizes such as Airbnb Canva Dashlane GoStudent Facebook LinkedIn Lottie Dolls Netflix Revolut Teamwork and Zoom Including information on building a globally minded corporate culture this is a complete strategic guide to discovering international growth opportunities

The Gig Is Up Olga Mizrahi, 2018-02-27 Win in a world of increasing choice by becoming the clear unique fit The gig economy is made up of project based or on demand services that can be provided by anyone The common denominator in the gig economy is technology so our modern online lives provide the perfect marketplace for the ever diversifying opportunities in the gig economy By some estimates 2020 will see half of all workers involved in the gig economy Are we ready for this seismic shift in our work lives Freelancers need to clearly answer Why choose you so that they stand out in the new economy Because all workers in the gig economy need to bluntly pose this question to themselves The Gig Is Up is designed to answer this one key point head on giving readers innovative tools like Unique Value Proposition to confidently step up The Gig Is Up offers the best boots on the ground methods for success by evolving the reader's perspective and process Many books on the gig economy focus on letting people

live out their dreams instead of looking at the realities of what it truly takes to win in a world of increasing choice People need to understand how to compete and how to put the best version of themselves up front and center The goal in competing today is to not only be chosen but to move toward becoming the only choice over and over again

Managing Population Decline in Europe's Urban and Rural Areas Gert-Jan Hospers,Nol Reverda,2014-11-18 This book explores the challenges population decline presents for Europe s urban and rural areas It features recent demographic data and trends not only for Europe as a whole but also for selected countries and compares growth and shrinkage from a historical as well as a theoretical perspective In addition the book critically reviews relevant notions from geography sociology and public administration It also identifies good practices across Europe Throughout theories are complemented with concrete examples and proposals are made on how to tackle demographic shrinkage in European cities and villages from attempts to attract new residents to the countryside to innovative ways to guarantee public services In the end the authors conclude that solving the challenges caused by population decline require novel ways of thinking and provide answers to such future oriented questions as how to ensure the quality of life in an environment that is inhabited by fewer and older people what investments are needed and which actors should be involved Managing Population Decline in Europe s Urban and Rural Areas offers detailed coverage of an underestimated and complex governance issue that asks for solutions in which citizens have to play an important role It concludes that shrinkage requires a rethink of the specific tasks and roles of government and presents a way forward based on initiatives currently underway throughout Europe The book will be a valuable resource for population policy makers as well as students and researchers interested in human geography urban planning rural development European studies public administration and other social sciences
