## **Something There Is:**

**Always Something There to Remind Me** Beth Harbison, 2011-07-19 A New York Times bestselling author presents a riveting look at the tender agony of first love. Touching, truthful and profoundly satisfying, Jen Lancaster, bestselling author. Can you ever really know if love is true? And if it is, should you stop at anything to get it? Two decades ago, Erin Edwards was sure she'd already found the love of her life: Nate Lawson. Her first love. The one with whom she shared everything: dreams of the future, of children, plans for forever. The one she thought she would spend the rest of her life with. Until one terrible night when Erin made a mistake. Nate could not forgive and left her to mourn the relationship she could never forget or get over. Today, Erin is contentedly involved with a phenomenal guy, maneuvering a successful and exciting career and raising a great daughter all on her own. So why would the name Nate Lawson be the first thing to enter her mind when her boyfriend asks her to marry him? In the wake of the proposal, Erin finds herself coming unraveled over the past and the love she never forgot. The more she tries to ignore it and move on, the more it haunts her. Filled with Beth Harbison's trademark nostalgia, humor and heart, *Always Something There to Remind Me* will transport you and inspire you to believe in the power of first love.

**Something There In Between** S. Ferguson, 2016-12-19     **Altarpieces** Michael D. O'Kelly, 2011-05-18 Fire ies at dawn. Winged essences charred bodies still on re. This evocative poetry/essay collection issues a call for a renewed embracement of the readers own expressive self. We've each a persona to hear a voice to resonate through silences of night and the noises of everyday. Life is a mystery hard to crack. We bang it like a door and strum it like a lyre until it opens some new portal through which the voice can authentically sound out the truths of being human. That's the happening of this book. Altarpieces have always been artistic creations to conceive lifes sacred space. This book follows that tradition if rather untraditionally. These pieces speak to hear life on ones own terms from ones own altar and cathedral. This gathering created a poet self identity called Apokstrophes. The essays join with the poems to conceive poetry and the spiritual quest with a renewed existential/eco romantic perspective sounding that quest with both feet grounded on worldly other Planet Earth. The challenge to grasp life at the core is a wrenching wrestling match with the Other that ever present dimension of poetry on lifes path. Joining philosophical play with the authenticity of word pieces as true orients OKellys book with many poets helping along the way has taken up that challenge with unflinching creativity. Want a spiritual adventure Fly Take the ride Oh the ride Fins spurred in shivers of hide Lifes dearness reined in the roll of the tide     **Phenomenal Consciousness** Dimitris Platchias, 2014-12-05 How can the fine grained phenomenology of conscious experience arise from neural processes in the brain? How does a set of action potentials/nerve impulses become like the feeling of pain in one's experience? Contemporary neuroscience is teaching us that our mental states correlate with neural processes in the brain. However, although we know that experience arises from a physical basis, we don't have a good explanation of why and how it so arises. The problem of how physical processes give rise to experience is called the hard problem of consciousness and it is the contemporary manifestation of the mind-body

problem This book explains the key concepts that surround the issue as well as the nature of the hard problem and the several approaches to it It gives a comprehensive treatment of the phenomenon incorporating its main metaphysical and epistemic aspects as well as recent empirical findings such as the phenomenon of blindsight change blindness visual form agnosia and optic ataraxia mirror recognition in other primates split brain cases and synaesthesia *The Bookman* ,1894

Ackland,2015-09-01 I know that two men are coming up the mountain at this moment including the boy from far away I wonder what my grandson s face will look like This is a boy in the skin of a man I know the boy is innocent that it s his family soul which is guilty An old woman sits waiting in a village that clings to a Turkish mountainside where the women weave rugs make tea and keep blood secrets that span generations Berna can see what others cannot so her secrets are deeper and darker than most It is time for her to tell her story even though the man for whom her words are meant won t hear them It is time for the truth to be told Nearly a hundred years before her father James had come to the village on the back of a donkey gravely ill rescued from the abandoned trenches of Gallipoli by a Turkish boy whose life he had earlier spared James made his life there never returning to Australia and never realising that his own father was indeed the near mythical bushranger that the gossips had hinted at when he d been a boy growing up in Beechworth Now as Berna waits a young man from Melbourne approaches to visit his parents village against the vehement opposition of his cursed tight lipped grandfather What is the astonishing story behind the dark deeds that connect the two men unknown to each other and living almost a century apart The Secret Son is a remarkable debut a dazzlingly original audacious and exhilarating novel At once joyous and

haunting it is a moving meditation on love honour and belonging as well as a story about the strength of women and what it means to be a good man     *A Dictionary of Music and Musicians* George Grove,1879     *Euripides* Euripides,1872     *The Encyclopædia Britannica* ,1891     The Academy ,1876     *The Juvenile Instructor* ,1899     **The Electrical Engineer** ,1891
