**All Things Hold Together** Stephen C. Shaffer,2023-03-21 How can we live faithfully in a world that feels like it is coming apart at the seams In All Things Hold Together Stephen C Shaffer offers an invitation to return to an older more humble and yet more confident Christian faith In Christ all things hold together Apart from him things fall apart The multitude of fractures in our world result from the removal of our center in Christ Worldview is not a weapon It was meant to mend the fractures opened up by the modern world The recovery of a theological center of a Christian worldview is intended as a way of sewing back together what the modern world is ripping apart Worldview serves to give voice to a way before and beyond the fractures a world we have abandoned in order to rule ourselves All Things Hold Together works to recover this original purpose of Christian worldview and present it as a gift for faithfully navigating our contemporary culture **All**
