Texas Bankers Association The First Century

Dan Anderson, Laurence Yadon

Texas Bankers Association The First Century:

Ten Deadly Texans Dan Anderson, Laurence Yadon, 2012-11-05 A lighthearted history of ten of Texas's most notorious outlaws including Clyde Barrow and a bank robber dressed as Santa Claus. The Wild Westerners were a tough breed. They started young and tended to die young, grow wilder, or fizzle into oblivion. Those outlaws that had the most feuds, gunfights, and robberies within the state lines are profiled here along with their associates, enemies, and accomplices. A rough chronological order of events spanning from pre Civil War to 1935 tracks significant people and events. With so few lawmen available to police the state, troublesome youths quickly developed into heinous individuals. John Wesley Hardin killed a fellow classmate in a one room schoolhouse and eight year old James Miller was arrested for murdering his own grandparents. Beginnings and endings for each individual varied. While Sam Bass and Bonnie Parker were cut down in their twenties, Dock Newton didn't rob his last train until age seventy seven. Other members of the Barrow Gang lived into their fifties and sixties after transforming themselves from dangerous criminals to ordinary citizens. Texans are often described as being larger than life. Their lives were legendary, their demeanor solid, their illegal activities dramatic and varied from beginning to end. The same lighthearted take on Western history that permeated Dan Anderson and Laurence J. Yadon's previous works resonates in their latest popular history. True stories, tall tales, and numerous anecdotes comprise this book of ten of the deadliest outlaws to cross the Texas line. Praise for *Ten Deadly Texans*: Picking the top ten of virtually anything is difficult if not impossible, but Yadon and Anderson have presented a strong argument that this grouping belongs at the top of any list of deadly fighters. In their own way, each one chose a deadly path filled with violence, bloodshed, high drama, and excitement. Chuck Parsons, author of *John B. Armstrong: Texas Ranger and Pioneer Ranchman*. A well-researched and highly readable account of the Lone Star State's meanest men and women. Mike Cox, author of *The Texas Rangers: Wearing the Cinco Peso*. 1821-1900. Yadon and Anderson have done their homework to separate the truth from the legend because not only are they good historians, they know that the real story is quite often better than the legend. *Ten Deadly Texans* takes you from the Civil War to the Great Depression, from cow ponies and six guns to Ford V8s and automatic weapons, through the real lives of some of Texas's most notorious sons. James R. Knight, author of *Bonnie and Clyde: A Twenty First Century Update*. [A Man Absolutely Sure of Himself](#) David B. Gracy, 2019-11-07 This is the first full biography of George Washington Littlefield, the Texas and New Mexico rancher, Austin banker, and businessman. University of Texas regent and philanthropist. In just two decades, Littlefield's business acumen vaulted him from debt to inclusion in 1892 on the first list of American millionaires. *A Man Absolutely Sure of Himself* is a grand retelling of the life of a highly successful entrepreneur and Austin civic leader whose work affected spheres from ranching and banking to civic development and academia. Littlefield's cattle operations during the open range and early ranching periods spanned a domain in New Mexico and Texas larger than the states of Delaware and Connecticut combined. In a unique contribution to ranching art, Littlefield commissioned murals and bronze

doors depicting scenes from his ranches to decorate Austin's American National Bank which he led for its first twenty eight years Gracy provides new information about Littlefield's term as University of Texas regent and the necessity of choosing between friendship and duty during the university's confrontation with Gov James E Ferguson Proud of his Civil War service in Terry's Texas Rangers Littlefield funded one of the nation's first centers for Southern history He also underwrote the school's purchase of its first rare book library and its training programs preparing troops for World War I's new combat roles Littlefield played a central role in advancing Austin from a cattleman's town into the business center it wanted to become His Littlefield Building the tallest office building between New Orleans and San Francisco when it was built served for a generation as the prime location of the town's business community Author David B Gracy II a relative of Littlefield grounds his vivid prose in a lifetime of research into archival and family sources His comprehensive biography illuminates an exceptional figure whose life singularly illustrates the evolution of Texas from Southern to Western to American *Texas Through Time* Walter L. Buenger, Robert A. Calvert, 1991 Historical interpretations shape a culture's understanding of itself its challenges its options New conditions within society along with new information and methods available to historians should call forth new interpretations of the past Thus history changes as time passes Yet Texas historians have had trouble discarding old understandings The contributors to this volume of Texas historiography explore this key question Why have historians not subjected the myths of the state to rigorous ongoing examination Why does the macho myth of Anglo Texas still reign This book is the first scholarly attempt to place the intellectual development of Texas history within the framework of current trends in the study of U S history Twelve eminent scholars have contributed evaluations of the historical literature in their respective fields of expertise from Texas Mexican culture and African American roles to agrarianism progressivism and the New Deal from perspectives on women to the urban experience of Sunbelt boom and bust The cumulative effort describes and analyzes what Texas history is and how it got that way These stimulating critiques challenge the field to produce a new synthesis that moves away from the provincialism that has so often limited the intellectual directions of the state's historians and the actions of its political leaders *Texas Almanac and State Industrial Guide*, 1991

Southwestern Historical Quarterly, 1996 **Texas Almanac** Mike Kingston, 1987-03 **Texas Bankers Record**, 1930 *The North Carolina Historical Review*, 1985 *The Banking Law Journal* Edward White, 1893 A journal devoted to banking law and practice for bankers and bank attorneys Includes articles notes on court cases and summaries of legislation

But Also Good Business Walter L. Buenger, Joseph A. Pratt, 1986 For more than a century the Houston area has grown steadily and at times spectacularly The lifeblood of the region's development has been the flow of credit its heart the banks that have pumped investment dollars through the economy and particularly Texas Commerce Bank one of the city's largest

Crimes and Punishments, 1991 Explores the facts behind various crimes schemes and swindles throughout history *Bankers Magazine*, 1900 **The Bank Directory**, 2008 **Annual Report** Federal Deposit Insurance

Corporation,1981 Beginning with 1981 merger decisions of the Corporation are published separately as vol 2 of the Annual report *The Texas Bankers Association* T. Henry Gatton,1984 A narratiave history fully illustrated of the Texas Bakers Association and banking in the Lone Star State **Mutual Interests** ,1896 **Bankers Magazine** ,1931 **Bankers' Magazine and State Financial Register** ,1912 Thomson Bank Directory ,2003 **The Alcalde** ,1991-07 As the magazine of the Texas Exes The Alcalde has united alumni and friends of The University of Texas at Austin for nearly 100 years The Alcalde serves as an intellectual crossroads where UT s luminaries artists engineers executives musicians attorneys journalists lawmakers and professors among them meet bimonthly to exchange ideas Its pages also offer a place for Texas Exes to swap stories and share memories of Austin and their alma mater The magazine s unique name is Spanish for mayor or chief magistrate the nickname of the governor who signed UT into existence was The Old Alcalde
