## Texas City 1947:

**The Texas City Disaster, 1947** Hugh W. Stephens, 2010-01-01 On April 16 1947 a small fire broke out among bags of ammonium nitrate fertilizer in the hold of the ship Grandcamp as it lay docked at Texas City Texas Despite immediate attempts to extinguish the fire it rapidly intensified until the Grandcamp exploded in a blast that caused massive loss of life and property In the ensuing chaos no one gave much thought to the ship in the next slip the High Flyer It exploded sixteen hours later The story of the Texas City explosions America s worst industrial disaster in terms of casualties has never been fully told until now In this book Hugh W Stephens draws on official reports newspaper and magazine articles personal letters and interviews with several dozen survivors to provide the first full account of the disaster at Texas City Stephens describes the two explosions and the heroic efforts of Southeast Texans to rescue survivors and cope with extensive property damage At the same time he explores why the disaster occurred showing how a chain of indifference and negligence made a serious industrial accident almost inevitable while a lack of emergency planning allowed it to escalate into a major catastrophe This gripping cautionary tale holds important lessons for a wide reading public **Prologue**, 1998 Texas City Explosion American National Red Cross, 1948 *Texas City, Texas, Disaster* Fire Prevention and Engineering Bureau of Texas, Dallas, 1948 **A Pictorial History** Hugh W. Stephens, 1997 Annual Report Monsanto Company, **The Municipal Year Book**, 1948 National Union Catalog, 1958 Includes entries for maps and atlases Texas City Disaster United States. Congress. House. Indiana Harbor Belt Railroad Company, 1951 We Were There, 1997 **Report of the Insurance Commissioner** Pennsylvania. Insurance Department, 1899 **Year Book** American Society for Testing and Materials, 1949 **Public Management**, 1946 Beginning with 1925 the March number of each year contains the annual proceedings of the International City Managers Association **Governance by Decree** Ruth P. Morgan, 2004 The Voting Rights Act of 1965 which originally was intended to prohibit barriers to black registration and voting has been hailed as a triumph for civil rights and as a catalyst for the election of minorities to public office in both the Deep South and the urban North To advance its objective federal courts instructed many cities to change from at large to single member district electoral systems as a way to ensure that minorities had a reasonable chance to elect representatives of their choice In the first book to critique the implementation of this landmark legislation in a major American city Ruth Morgan examines its effect on local governance over forty years in Dallas and shows that it had unintended consequences for racial politics representation and public policy Breaking from studies that measure the success of the VRA in terms of increased minority representation Morgan assesses the consequences of the Act for Dallas city government and for the wider interests of minorities as well While endorsing the original intent of the VRA Morgan believes that this intent was subverted by

subsequent amendments to the Act and by the courts attempts to advance the political standing of particular minority groups. She argues that court imposed single member districts have created in Dallas a city council infected with parochialism and careerism a result of members no longer having to compromise to win citywide votes and have had an adverse impact on governmental effectiveness and voter turnout. With corruption and cronyism now rampant voting rights legislation and litigation have ultimately failed to fulfill the hopes and aspirations of the unempowered and the district system has created an incentive for continued racial separation. Governance by Decree offers a pointed assessment of the complexities and contradictions produced by the voting rights law while at the same time calling for the federal judiciary to exercise restraint in imposing its will when it lacks the capacity to make choices that are inherently political. Morgan's powerfully argued case study should inspire much debate and inform forthcoming congressional deliberations over the renewal of the preclearance section of the VRA in 2007. *Aero Digest*, 1948. *The Log*, 1949. *America's Great Disasters* Candace Floyd, 1990. Depicts the tragedy, horror, bravery and perseverance of more than one hundred years of natural and manmade disasters including the Chicago fire of 1871, the Johnstown flood of 1889 and the 1911 San Francisco earthquake. *Journal of Collective Negotiations in the Public Sector*, 1980. *Library of Congress Catalogs* Library of Congress, 1955.
