

A dramatic, dark-themed illustration from the game Destiny 2. The scene is set in a cavernous, industrial environment with large, curved metallic structures and glowing blue light sources. In the center, a large, glowing blue sphere with a white star-like pattern is prominent. Below it, three characters in futuristic armor are standing on a curved, metallic platform. To the right, a large, dark, winged figure is visible. The overall atmosphere is mysterious and high-tech.

**The Key to Destiny's Door** Bc Dongs,2021-09-21 THE KEY TO DESTINY S DOOR he entire universe has in it BOXES of treasures Each of these treasures are being locked in a box While some sees these treasure boxes as full loads of problems others sees it as an opportunity to do exploit Either ways they are right because every problem is meant to be solved and every opportunity is meant to be seized The BOX is a shield a covering and a dwelling place for treasures What can prevent you from accessing and acquiring these treasures is the BOX In order to gain entry into these household of treasures the BOX all you need is the KEY The BOX can be referred as PROBLEMS while the KEY can be seen as your GIFT and TALENT which we all have God brought us to a world filled with PROBLEMS because there is something the earth need that is in us SOLUTIONS We are created to solve problems so if you re not solving a problem then you re one of the problems Ones greatness can only be measured up by the numbers of problem he or she solved We all are born with the KEY but how can we identify the right BOX We all are born with an ANSWER the problem is how can we get the QUESTION That s where purpose steps in without purpose you might live your entire life using the right key on the wrong lock Having the key without knowing the right lock is useless Also having the answer without knowing the question is utterly useless KEYS are not meant to open all DOORS but they are designated to open the RIGHT DOORS For a door to open the key must match with the lock Thus for you to excel in life your GIFT and TALENT must match with your PURPOSE and CALLING It is said Thomas Edison was afraid of the dark he invented the electric bulb To analyze this the Dark was his problem and the electric bulb he invented is the answer to his problem You must know this the world will benefit more from your gift much more than yourself That is why it is being called a gift What key are you born with And what box are you supposed to unlock The KEY is your GIFT the lock is your DESTINY Your gift is the only thing that can connect you to your destiny Remember this as long as you live the GIFT you carry is an answered prayer to the world problem make use of it
