Text Work Representing Organization And Organizing Representation:

Gossip and Organizations Kathryn Waddington,2012-08-21 Gossip is a complex and ubiquitous phenomenon widely found and variously practiced Gossip and Organizations provides the reader with an analysis of gossip and informal knowledge across different national organizational and cultural contexts drawing upon empirical findings and the author's experiences of researching gossip in nursing and healthcare organizations and higher educational institutions Kathryn Waddington aims to dispel once and for all the myth that women gossip and men have conversations shattering the illusion that gossip at work is trivial talk This book challenges the assumption that gossip is a problem that should be discouraged While there is undoubtedly a dark side to gossip Kathryn Waddington argues that paying closer attention to gossip as organizational communication and knowledge enables exploration of other ways of seeing interpreting and understanding organizations Gossip is not merely an impediment of organizing it is a form of organizing which shapes perceptions and actions and can forewarn managers of future failure in organizational systems The complexity of gossip is such that a range of interdisciplinary explanations is necessary in order to account for this form of communication and knowledge across multiple levels and spaces in and around organizations Waddington provides a new evidence based framework incorporating ethics emotion identity sensemaking and power as a guide future research theorizing and critical reflective and reflexive practice in the field of organizational gossip
