note and that was reflected in the writing It is now eleven years later and the project has come to a satisfying conclusion
Since its inception the checkers project has consumed eighteen years of my life twenty if you count the pre CHINOOK and

something witty to say about my obsessive behavior Rereading the book after a decade was difficult for me When I originally
wrote One Jump Ahead I vowed to be candid in my telling of the story That meant being honest about what went right and
what went wrong I have been criticized for being hard on some of the characters That may be so but I hope everyone will
agree that the person receiving the most criticism was justifiably me I tried to be balanced in the storytelling reflecting things
as they really happened and not as some sanitized everyone lived happily ever after tale **Billboard**, 1963-01-19 In its
