The Mystery Of Evil Some Insights Into The Abyss:

The Mystery of Evil Peter J. Riga, 2003-11-01 [The Theology of Augustine's Confessions](#) Paul Rigby, 2015-02-26 This study of the Confessions engages with contemporary philosophers and psychologists antagonistic to religion and demonstrates the enduring value of Augustine's journey for those struggling with theistic incredulity and religious narcissism. Paul Rigby draws on current Augustinian scholarship and the works of Paul Ricoeur to cross-examine Augustine's testimony. This analysis reveals the sophistication of Augustine's confessional text which anticipates the analytical mindset of his critics. Augustine presents a coherent defensible response to three age-old problems: free will and grace, goodness and innocent suffering, and radical evil and freedom and predestination. *The Theology of Augustine's Confessions* moves beyond commentary and allows present-day readers to understand the Confessions as its original readers experienced it, bridging the divide introduced by Kant, Hegel, Freud, Nietzsche, Heidegger, and their descendants.

Why Didn't Evangelicals "See Him Coming"? Paul A. Pomerville, 2023-08-31 *Why Didn't Evangelicals See Him Coming* is a hard-hitting, clear-eyed account of how American society, the political establishment, and the rule of law reacted to a sociopath president. After Donald Trump left office, Americans didn't see him going either. Trump came and went, yet millions of Americans were clueless about what happened because of his gaslighting. An evangelical Christian author explains why Bible-believing churches going Jesus-talking America-loving evangelicals along with other Americans listened to and were enamored by and elected an immoral sociopath. An unlikely combination of viewpoints: psychology, law, and biblical theology provide a surprising coherent picture of how Donald Trump deceived and inflicted devastation on democracy. His uncanny influence is chronicled by media reporting during his four years in office and afterwards in a shadow presidency at Mar-a-Lago. If Trump succeeded in anything, it was deceit. Psychologists rightly attribute this to his gaslighting. Biblical theology probes deeper to his corrupt human nature. An FBI search warrant at Mar-a-Lago revealed the inevitable truth: Donald Trump was a thief and traitor from the beginning; the law finally caught up with a long-overdue unaccountable serial criminal for crimes that America would not tolerate.
