The Naked Manager Robert Heller,1986 **The Naked Manager** Robert Heller,1985 **Total R & D Management** Roger Dabbah,1998-04-15 Drawing on a lifetime of experience Roger Dobbah gives readers an in depth view of R D survival strategies and tactics and demonstrates how to apply them to any organization The author provides insights into the role of R D the crucial topic of creativity and innovation and the differences and similarities between general management and R D man **Aesop and the CEO** David Noonan,2006-06-18 It is easy to be overwhelmed by the sheer volume of business books flooding the market today Even more daunting is the task of weeding through them to find the golden nugget of wisdom inside In Aesop and the CEO David Noonan has simplified the process by providing this well researched primer of the most essential advice from the greatest business books ever written Further in a clever melding of modern business sense and ancient wisdom he has used the animal based stories of Aesop as springboards to launch these 50 lessons Both entertaining and informative Aesop and the CEO includes advice from well known leaders such as Bill Gates Sam Walton Donald Trump and Lee Iacocca The short easy to read vignettes cover every aspect of corporate life negotiations hiring and firing mergers and acquisitions marketing and sales and day to day management Strategic Human Capital Management Jon Ingham,2007-02-07 outlines the key attributes of a strategic approach to HCM and captures these within a scorecard the HCM Value Matrix provides a process for managing human capital using the scorecard the Strategic HCM Planning Cycle Includes case studies from leading organizations and commentary from HR practitioners and academics **Harvard Business School Core Collection** Baker Library,1993 **Making It!** Steven C. Levi,1990 **Organizational Behaviour** John Martin,2001 This is a comprehensive main course text for organisational behaviour and related studies designed to provide a strong critical understanding of both theory and managerial implications *Barbarians to Bureaucrats: Corporate Life Cycle Strategies* Lawrence M. Miller,1990-01-14 One day your sluggish company will taken to the sound of a beating drum and the sight of a competitor approaching at ramming speed On deck will be a jut jawed Barbarian He will hardly blink as his target is ripped asunder sending Aristocrats Bureaucrats and their unfortunate shipmates to their corporate death So goes Mr Miller s tale from which we can all profit The Wall Street Journal *Barbarians to Bureaucrats* presents a brilliant new solution to a stubborn old business problem how to halt a company s descent into wasteful stifling bureaucracy Lawrence M Miller a management consultant for such corporate giants as Xerox and 3M argues that corporations like civilizations have a natural life cycle and that by identifying the stage your company is in and the leaders associated with it you can avert decline and continue to thrive Every company begins with the compelling new vision of a Prophet and the aggressive leadership of an iron willed Barbarian who implements the Prophet s ideas New techniques and expansions are pushed through by the Builder and the Explorer but the growth spawned by these managers can easily stagnate when the Administrator sacrifices innovation to order and the Bureaucrat imposes tight control And just as in civilizations the rule of the Aristocrat out of touch

with those who do the real work invites rebellion from employees customers and stockholders It will take the Synergist a business leader who balances creativity with order to restore vitality and insure future growth Executives from major corporations have already put the powerful insights of Barbarians to Bureaucrats into practice to regenerate their own companies Now you can use this brilliant lucid and dazzlingly original book to put your company and your career back on track *Harvard Business School Core Collection 1995 Baker Library, 1995* **Aesop & the CEO** David C. Noonan, 2005 David Noonan believes it s time for a return to the time tested maxims of yesteryear Inside he offers a fresh perspective on the universal truths embedded in Aesop s compact morality plays including Slow and steady wins the race The overeager make bad decisions It is wise to prepare today for the needs of tomorrow No good deed however small is ever wasted Using the experiences and writings of well known industry and government notables Aesop and the CEO illustrates powerful business insights lessons of both success and failure and draws a business moral from each The world of business has changed enormously since Aesop s time but people haven t As the corporate culture cries out for strong ethical leadership this book confirms that integrity reliability honesty and respect continue to be as essential to a business s long term survival as is the bottom line Book jacket Proceedings of the ...
